**Schedule: SECURUS VIDEO VISITATION
WEBSTER COUNTY (IA)
A001301**

This Securus Video Visitation Schedule is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, Inc. ("we" or "Provider" or "Securus") and Webster County Sheriff's Office ("you" or "Customer"). The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

In addition to the Applications otherwise being provided to Customer pursuant to the Agreement, Provider will deploy a Video Visitation System as specified in Attachment 1 at the Facility(s) during the Term of the Agreement.

TERMS:

Provider will charge Securus Video Visitation session charges that are in compliance with state and federal regulatory requirements, and Provider may impose time limitations on Video Visitation sessions at its discretion; provided, however, that Provider reserves the right, at its sole option, to (i) offer promotional pricing, (ii) offer monthly flat rate subscription services, which would allow for unlimited monthly remote visits (certain restrictions may apply), and (iii) to extend the duration of visitation sessions. If Customer wishes to offer free sessions for any reason other than as allowed pursuant to the Agreement, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer. As used herein, "remote" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a location not on Customer's premises. "On-site" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a terminal located on Customer's premises.

Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus' promotional literature in the Facility's visitation lobby; (b) unless otherwise prohibited by Customer's telephone service contract, add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call participants; and (c) issue a joint press release regarding the execution of this agreement by both parties. All Video Visitation sessions must be scheduled online by the visitor by accessing Provider's website at www.securustech.net.

If applicable, all recorded Video Visitation sessions will have a standard retention of 30 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 30 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 30 days. Further, it is Customer's sole responsibility to (i) establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide for appropriate accommodations to allow for non-recorded visits, as necessary.

PAYMENT OPTIONS:

The upfront and recurring operational costs for the deployment, management and support of the Video Visitation System are set forth in Attachment 1 (the "upfront costs"). Customer, at its option, may either elect to pay the upfront costs itself or have Provider pay the upfront costs by choosing one of the following options (place a check ("✓" or "X") next to option selected):

Option 1: Customer elects to pay all of the upfront costs set forth in Attachment 1 hereto. By choosing this option, the four additional requirements listed under Option 2 will not apply.

Option 2: Customer elects to have Provider pay the upfront costs set forth in Attachment 1. By choosing this option, Customer agrees to implement the following additional requirements (which are designed to (i) maximize the full utilization of the Video Visitation System at the Facility(s), (ii) assist Customer in maximizing the scheduling System Software, (iii) improve and automate manual visitation processes, (iv) increase officer safety, (v) maximize the options to the inmates and public to conduct visitation, and (vi) thus allow Provider to recover the upfront costs over time):

1. Customer agrees that Video Visitation must be available for paid remote sessions seven days a week for a minimum of 80 hours per Video Visitation terminal per week.
2. Customer will allow inmates to conduct remote visits without quantity limits other than for punishment for individual inmate misbehavior.
3. All on-site Video Visitation sessions will be required to be scheduled at least 24 hours in advance, where practicable.

4. Within 6 months following deployment of the Video Visitation System, Customer will endeavor to reach at least one remote paid Video Visitation session per inmate per month. If at any time during the Term of the Agreement after the first 12 months following deployment of the Video Visitation System, Customer's utilization of the Video Visitation System is not on plan to allow Provider to recover such upfront funding due to unrealized revenue, then Provider may recover such unrealized revenue through, at Provider's option, contract term extension, and/or payment by Customer by invoice.

Further, because Customer elects to have Provider fund the upfront Total Cost identified on the attached Sales Order Form, if the Agreement is terminated for any reason before the end of the Term, Customer will refund the prorated amount of the Total Cost as set forth in the attached Sales Order Form. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.

COMPENSATION: (Paid Remote Video Visitation Only)

Video visitation is not an FCC regulated telecom service; accordingly, in exchange for Customer allowing Provider to utilize Customer's property and wiring for placement of video visitation terminals, Provider agrees to pay Customer a percentage of the session charges paid to Provider, excluding applicable taxes/fees/surcharges, for Video Visitation sessions placed to Customer's Facilities as specified in the chart below (the "Video Visitation Payment"). Provider reserves the right to deduct Video Visitation session credits from revenue upon which payments to Customer are calculated. Provider will remit the Video Visitation Payment for a calendar month to Customer on or before the 30th day of the following calendar month in which the paid remote Video Visitation sessions were held (the "Payment Date"). All Video Visitation Payments will be final and binding upon Customer unless Provider receives written objection within 60 days after the Payment Date.

Type of Video Visitation	Video Visitation Payment (Paid Remote Video Visitation Only)
Remote Paid	30%*

* Provider will pay the Video Visitation Payment for those months during which the Facility has achieved one remote paid visit or greater, excluding visits paid with a Video Visitation session credit. Video Visitation Payments are paid in one-month arrears and are not subject to retroactive payments or adjustments for notice delays. It is Customer's responsibility to notify Provider in writing to effect the Video Visitation Payment. Notice must be signed by a person who has binding authority for Customer and a copy delivered to:

SECURUS TECHNOLOGIES, INC.
PRESIDENT
4000 INTERNATIONAL PARKWAY
CARROLLTON, TEXAS 75007

Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation services hereunder is based on Customer's estimated Average Daily Population and a minimum of one remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than one per inmate per month, Provider reserves the right, no sooner than 12 months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Customer is responsible for all Jail Management System (JMS) and Commissary integration fees as well as electrical installation, unless otherwise specified in Attachment 1.

WARRANTY: Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of 12 months from the date of installation of the Hardware Components. This warranty will be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider will provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

OWNERSHIP AND USE. The Video Visitation System and Software will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's Applications, the Video Visitation System, and Provider's other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

IN WITNESS WHEREOF, the parties have caused this Video Visitation Schedule to be executed as of the Schedule Effective Date by their duly authorized representatives.
