**Master Services Agreement
KANDIYOHI COUNTY (MN)
A004487**

This Master Services Agreement (this "Agreement") is by and between Kandiyohi County, Minnesota, a political subdivision of the State of Minnesota ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

- 1. Applications.** This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
- 2. Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (*e.g.*, phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (*e.g.*, automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
- 3. Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
- 4. Term.** The obligations of the parties will be effective as of the Effective Date, but the "Initial Term" will begin on March 1, 2020 and will end on the date that is 72 months thereafter. Unless one party delivers to the other written notice of non-renewal at least 90 days before the end of the then current term, this Agreement will automatically renew for successive periods of 12 months each. Provider and Customer may initiate installation of Provider's Tablet, AIS, and eMessaging Applications as both parties agree at any time after the Effective Date. Installation of other Applications will not commence until the incumbent inmate telephone provider's contract expires or terminates. Provider will work in good faith with the incumbent inmate telephone provider regarding transition of relevant services. If the incumbent inmate telephone services provider's contract is renewed or extended beyond March 1, 2020, the parties agree to renegotiate the terms of this Agreement in good faith. Notwithstanding anything to the contrary, in the event such negotiations are unsuccessful, Provider will have the right to terminate this Agreement without penalty. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
- 5. Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.
- 6. Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms

and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. **Ownership and Use.** The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. **Legality/Limited License Agreement.** For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. **Private Number Designation.** We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. **Confidentiality and Non-Disclosure.** The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. **Claims.** To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or

covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics. Customer agrees to indemnify Provider against any and all Claims arising out of or related to instruction Provider receives from Customer.

12. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (*e.g.*, Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

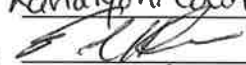

17. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – 5 days after deposit; and courier – when delivered as shown by courier records.

19. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. If any legal action or other proceeding is brought for the enforcement of this Agreement or because of an alleged dispute, breach, default, or misrepresentation in connection with any provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover from the non-prevailing party, reasonable attorneys' fees, court costs, and all expenses, even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled. As used herein, "prevailing party" includes without limitation, a party who dismisses an action for recovery hereunder in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the action. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

This Schedule is between Securus Technologies, Inc. ("we" or "Provider"), and Kandiyohi County, Minnesota, a political subdivision of the State of Minnesota ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 90 days from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for certain of Provider's services. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer a Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

***Commissions are paid in one-month arrears and are not subject to retroactive payments or adjustments for failure to provide timely notice of address changes. The Commission will be paid on both interstate and intrastate calls.**

CENTRALIZED NET CENTRIC, VOIP, DIGITAL TRANSMITTED CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Calling Platform User Interface. We will provide you with the Software regarding the Secure Calling Platform Interface ("S-Gate User Interface"). Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users; (ii) it will use the SCP User Interface for lawful purposes and will not transmit, retransmit, or store material in violation of any federal or state laws or regulation; and (iii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance will be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance will be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of or destruction, damage, or vandalism to the equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, we will have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided *Openworkstation(s)* (see below). For the services contemplated hereunder, we may provide, based upon the Facility's requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "*Openworkstation*" is an open non-secured workstation which permits administrative user rights for Facility personnel and allows the Facility to add additional third-party software. Ownership of the *Openworkstation* is transferred to the Facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY *OPENWORKSTATION(S)*."

- Outage Report; Technical Support. If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). You may contact Technical Support 24 hours a day, seven days a week (except in the event of planned or emergency outages) by telephone at 866-558-2323, by email at TechnicalSupport@securustech.net, or by facsimile at 800-368-3168. We will provide you commercially reasonable notice, when practical, before any Technical Support outage.
- Priority Classifications. Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

"Priority 1"	30% or more of the functionality of the System is adversely affected by the System Event.
"Priority 2"	5% - 29% of the functionality of the System is adversely affected by the System Event.
"Priority 3"	Less than 5% of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

- Response Times. After receipt of notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

- Response Process. In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival),

as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. **Performance of Service.** All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.
6. **Escalation Contacts.** Your account will be monitored by the applicable Territory Manager and Regional Service Manager. In addition, you may use the following escalation list if our response time exceeds 36 hours: first to the Technical Support Manager or Regional Service Manager, as applicable, then to the Director of Field Services, then to the Executive Director, Service.
7. **Notice of Resolution.** After receiving internal notification that a Priority 1 System Event has been resolved, a technician will contact you to confirm resolution. For a Priority 2 or 3 System Event, a member of our customer satisfaction team will confirm resolution.
8. **Monitoring.** We will monitor our back office and validation systems 24 hours a day, seven days a week.

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ gives consumers the choice to pre-pay for multiple calls or for a single call just before connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows friends and family to fund the minimum to complete the current inbound call.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per-minute rate and any applicable federal, state, and local taxes. AdvanceConnect Single Call™ is commissioned like an AdvanceConnect™ call that does not use this feature.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice model enrollment process. This inmate voice model enrollment process will be the responsibility of Customer. Customer's use of Investigator Pro™ is governed by the JLG Technologies, LLC End User Software License Agreement located at <https://securustechnologies.tech/ipro-terms-and-conditions/>, which is incorporated herein by reference.

COMPENSATION:

The cost of Investigator Pro™ was considered and included in offering the Commission percentage and other terms contained herein.

OUTBOUND VOICEMAIL

DESCRIPTION:

Outbound Voicemail allows friends and family (F&F) to retrieve voicemails left by inmates. If an inmate attempts to call F&F but the call goes unanswered, the inmate is given the option to leave a voicemail. If the inmate leaves a voicemail, a text

message containing a link will be sent to the dialed number. Once the F&F clicks the link, they will be sent to a web form to pay and listen to the voicemail.

COMPENSATION:

Outbound Voicemail is priced at the applicable AdvanceConnect calling rates, based on the actual duration of the call, plus any applicable taxes and a \$3.00 transaction fee.

Outbound Voicemail will be commissioned in the same manner as a comparable AdvanceConnect call, and the commission will be based on your current contracted commission rate for a typical AdvanceConnect call. Once Outbound Voicemail is deployed, facilities will be commissioned on the usage portion on purchased voicemails only.

ICER™

DESCRIPTION:

The ICER™ system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications from multiple sources to generate targeted investigative leads.

AUTOMATED INFORMATION SERVICES

DESCRIPTION:

Provider will provide the Automated Information Services (AIS™) as described herein. Once Facility staff has uploaded all required information, the system is able to automate information such as Commissary Balances (pending MIS system data flow); Charge Information; Court Appearance Dates, Times, Locations; Bond Amounts, Types; Projected Release Dates; and Visitation Eligibility, Times. The application is accessed through a telephone IVR system and provides all information automatically without staff intervention 24/7.

Automated Information Services is configurable to meet the specific needs of Customer's Facility. The standard AIS options include automation of inmate and Facility information to (1) constituents who call Customer's existing main telephone number; and (2) inmates at Customer's Facility using the inmate telephone system. The following options (the "Additional AIS™ Options"), which are required in order to be eligible for the No Cost Option, below, are currently available for AIS:

- ✓ Ability to open or fund a Securus pre-paid telephone account (AdvanceConnect)
- ✓ Ability to fund an inmate phone account (Inmate Debit where available)
- ✓ Ability to supplement inmate deposit services by funding an inmate trust account
- ✓ Ability to leave a voice mail (AIS™ Jail Voicemail)

The AIS™ Jail Voicemail feature is a one-way communication product that allows friends and family members calling a facility to leave a 45-second voicemail for an inmate providing a quick way for friends and family to initiate communication or deliver timely information to an inmate prior to a scheduled phone call or visitation.

Regardless of whether Customer chooses the No Cost Option or Cost Option below, Customer understands and agrees that Provider may, upon future release, expand the AIS™ services offering to include additional constituent notification services or Additional AIS™ Options upon 30 days advance written notice. Provider also offers customized AIS development options based on the terms at <https://www.securustechnologies.com/ais-terms-and-conditions>, which are incorporated herein by reference.

Customer represents and warrants that it is legally authorized to allow Provider to deploy the Automated Information Services (AIS™) as agreed and described herein.

COMPENSATION:

No Cost Option – For any months during the Term where Customer permits the deployment of the Additional AIS™ Options (currently AdvanceConnect phone funding, Inmate Debit funding (only necessary where available), inmate trust account funding, and Jail Voicemail), Provider will provide AIS™ to Customer at no charge.

Cost Option – For any months during the Term where Customer does not comply with the conditions in the foregoing paragraph, Customer agrees to pay Provider \$300.00 per month for AIS™, which will be payable through a commission deduction. In any given month, in the event commissions earned are less than the cost, customer may be sent an invoice for the remaining amount.

Integration Fees – Provider will not charge integration fees, but if a vendor charges an integration fee, Customer will be responsible for its payment.

AIS™ Jail Voicemail – If deployed, friends and family will pay up to a \$1.99 usage fee for each voicemail they leave, 20% of which Provider will pay to Customer each month. AIS™ Jail Voicemail is not subject to any other compensation.

FEES PAYABLE BY DEPOSITOR FOR TRUST FUNDING:

For trust funding transactions through the AIS™ application, the depositor will be charged a base fee per transaction as follows:

Deposit Amount	Fees JPay.com / JPay App	Fees Call Center / AIS IVR
\$0.01 - \$20.00	\$3.95	\$4.95
\$20.01 - \$100.00	\$6.95	\$7.95
\$100.01 - \$200.00	\$8.95	\$9.95
\$200.01 - \$300.00	\$10.95	\$11.95

TABLETS

DESCRIPTION:

Provider will deploy free basic community tablets to Facility. In addition to the free basic community tablets, Provider will offer personal rental tablets with premium content. Customer may purchase tablet earbuds at \$5.66 per set, which may be invoiced or deducted from commissions. Customer is responsible for any applicable taxes and third-party expenses associated with the earbud purchase. Each earbud order must be for at least 25 units and be made in 25 unit increments. Provider may, at its option, decline to fulfill any order that does not conform to these requirements. Customer will not allow the resale of the earbuds for more than \$5.66 per set unless approved by Provider.

Premium content may include, but is not limited to, songs, games, movies, and television episodes. Customer understands and acknowledges that premium content is subject to availability and may change at Provider's discretion. Premium content also may be subject to third-party licensing agreements with content providers.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of \$5.00 per tablet per month plus applicable taxes and/or fees. Provider will pay Customer 10% of the gross revenue earned through the rental of personal tablets and the purchase of premium content on the personal rental tablets. The subscription fee and premium content fees can be paid by using either Inmate Debit or a tablet user account. The parties reserve the right to renegotiate the \$5.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider's tablet-related costs exceed the gross revenue generated.

TERMS & CONDITIONS:

Customer represents and warrants that it will not provide the SecureView Tablet Solution to inmates whom Customer knows or reasonably suspects pose a threat to other inmates or Facility personnel, or who may use an Inmate Tablet in a dangerous or unauthorized manner.

Customer understands and acknowledges that premium content is rented and available only for the duration of an inmate's incarceration at the Facility and will not be made available upon the inmate's release.

Customer further understands and acknowledges that, in instances where inmate telephone calls originate from Tablets, Investigator Pro™ works only with Provider's certified earbuds. If Customer elects to sell alternative earbuds, Customer forgoes the effectiveness of Investigator Pro's™ voice identification technology on Tablet calls. Moreover, Customer will refrain from the sale or distribution of earbuds with a microphone other than Provider's certified earbuds.

PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE SECUREVIEW TABLET SOLUTION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE SECUREVIEW TABLET SOLUTION.

IN NO EVENT WILL PROVIDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING, INCURRED BY CUSTOMER OR INMATE FROM RECEIPT OR USE OF THE SECUREVIEW TABLET SOLUTION OR THE UNAVAILABILITY THEREOF.

Customer hereby agrees to protect, indemnify, defend, and hold harmless Provider from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in any way related to Customer's or inmates' use of the SecureView Tablet solution.

EMESSAGING

DESCRIPTION: Securus' eMessaging Application ("eMessaging") allows for two-way electronic communication between friends and family and an inmate. Friends and family purchase eMessaging "stamps," which are used to fund the transmission of an electronic message to an inmate according to the following chart:

Type of Message (When Available)	Number of Stamps	Notes

Text Message	1 stamp per message	
Photo	1 stamp per photo	Limit of 5 photos per eMessage; 3 MB / photo limit
eCard	1 stamp per eCard	Limit of 5 eCards per eMessage
VideoGram	3 stamps per VideoGram	

Different types of messages can also be combined in a single transmission.

The facility can access a web-based portal that enables message review, and can approve and reject a message or attachment based on the facility's policies and criteria. Friends and family must send and receive messages using either the Securus mobile app or their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates on a ConnectUs-equipped XL or S-Phone unit or a Securus SecureView tablet.

With Customer's agreement, Provider may (a) issue future releases of eMessaging which contain additional features and functionalities; or (b) modify the pricing contained herein.

COMPENSATION: Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

<u>Number of Stamps in Book</u>	<u>Stamp Book Price (Plus \$3.00 transaction fee and all applicable taxes)</u>
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Inmates are not currently able to purchase their own stamps; however, if available, Provider may deploy this option in the future with Customer's agreement.

Provider will pay Customer a commission of 20% on each redeemed stamp based on the Stamp Book Price (excluding any applicable taxes/fees/surcharges), which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send an original message to an inmate. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

E-MESSAGING TERMS OF USE – Customer's use of eMessaging is governed by the terms and conditions at <https://www.securustechnologies.com/emessaging-terms-and-conditions>, which are incorporated herein by reference.

CALLING RATES

Provider will charge rates that are in compliance with state and federal regulatory requirements. International rates, if applicable, will vary by country.

**Master Services Agreement
KANDIYOHI COUNTY (MN)
A004487**

This Master Services Agreement (this "Agreement") is by and between Kandiyohi County, Minnesota, a political subdivision of the State of Minnesota ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

- 1. Applications.** This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
- 2. Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (*e.g.*, phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (*e.g.*, automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
- 3. Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
- 4. Term.** The obligations of the parties will be effective as of the Effective Date, but the "Initial Term" will begin on March 1, 2020 and will end on the date that is 72 months thereafter. Unless one party delivers to the other written notice of non-renewal at least 90 days before the end of the then current term, this Agreement will automatically renew for successive periods of 12 months each. Provider and Customer may initiate installation of Provider's Tablet, AIS, and eMessaging Applications as both parties agree at any time after the Effective Date. Installation of other Applications will not commence until the incumbent inmate telephone provider's contract expires or terminates. Provider will work in good faith with the incumbent inmate telephone provider regarding transition of relevant services. If the incumbent inmate telephone services provider's contract is renewed or extended beyond March 1, 2020, the parties agree to renegotiate the terms of this Agreement in good faith. Notwithstanding anything to the contrary, in the event such negotiations are unsuccessful, Provider will have the right to terminate this Agreement without penalty. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
- 5. Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. **THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.**
- 6. Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms

and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. **Ownership and Use.** The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. **Legality/Limited License Agreement.** For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. **Private Number Designation.** We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. **Confidentiality and Non-Disclosure.** The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. **Claims.** To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or

covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics. Customer agrees to indemnify Provider against any and all Claims arising out of or related to instruction Provider receives from Customer.

12. **Insurance.** We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. **Default and Termination.** If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. **Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. **Uncontrollable Circumstance.** We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (e.g., Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. **Injunctive Relief.** Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

17. **Force Majeure.** Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. **Notices.** Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – 5 days after deposit; and courier – when delivered as shown by courier records.

19. **No Third-party Beneficiary Rights.** The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20: Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. If any legal action or other proceeding is brought for the enforcement of this Agreement or because of an alleged dispute, breach, default, or misrepresentation in connection with any provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover from the non-prevailing party, reasonable attorneys' fees, court costs, and all expenses, even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled. As used herein, "prevailing party" includes without limitation, a party who dismisses an action for recovery hereunder in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the action. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

**Schedule
KANDIYOHI COUNTY (MN)
A004487**

This Schedule is between Securus Technologies, Inc. ("we" or "Provider"), and Kandiyohi County, Minnesota, a political subdivision of the State of Minnesota ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 90 days from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for certain of Provider's services. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer a Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

***Commissions are paid in one-month arrears and are not subject to retroactive payments or adjustments for failure to provide timely notice of address changes. The Commission will be paid on both interstate and intrastate calls.**

CENTRALIZED NET CENTRIC, VOIP, DIGITAL TRANSMITTED CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Calling Platform User Interface. We will provide you with the Software regarding the Secure Calling Platform Interface ("S-Gate User Interface"). Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users; (ii) it will use the SCP User Interface for lawful purposes and will not transmit, retransmit, or store material in violation of any federal or state laws or regulation; and (iii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance will be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance will be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of or destruction, damage, or vandalism to the equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, we will have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided *Openworkstation(s)* (see below). For the services contemplated hereunder, we may provide, based upon the Facility's requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "*Openworkstation*" is an open non-secured workstation which permits administrative user rights for Facility personnel and allows the Facility to add additional third-party software. Ownership of the *Openworkstation* is transferred to the Facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY *OPENWORKSTATION(S)*."

- Outage Report: Technical Support.** If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). You may contact Technical Support 24 hours a day, seven days a week (except in the event of planned or emergency outages) by telephone at 866-558-2323, by email at TechnicalSupport@securustech.net, or by facsimile at 800-368-3168. We will provide you commercially reasonable notice, when practical, before any Technical Support outage.
- Priority Classifications.** Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

"Priority 1"	30% or more of the functionality of the System is adversely affected by the System Event.
"Priority 2"	5% - 29% of the functionality of the System is adversely affected by the System Event.
"Priority 3"	Less than 5% of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

- Response Times.** After receipt of notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

- Response Process.** In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival),

as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. Performance of Service. All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.
6. Escalation Contacts. Your account will be monitored by the applicable Territory Manager and Regional Service Manager. In addition, you may use the following escalation list if our response time exceeds 36 hours: first to the Technical Support Manager or Regional Service Manager, as applicable, then to the Director of Field Services, then to the Executive Director, Service.
7. Notice of Resolution. After receiving internal notification that a Priority 1 System Event has been resolved, a technician will contact you to confirm resolution. For a Priority 2 or 3 System Event, a member of our customer satisfaction team will confirm resolution.
8. Monitoring. We will monitor our back office and validation systems 24 hours a day, seven days a week.
9. Required IGR. You are responsible for providing a dedicated isolated grounded receptacle ("IGR") for use in connection with the primary System. Upon request we will provide you with the specifications for the IGR. If you are unable to or do not provide the IGR, we will provide the IGR on a time and materials basis at the installer's then-current billing rates, provided that we are not responsible for any delay caused by your failure to provide the IGR.
10. End-User Billing Services and Customer Care. Our Securus Correctional Billing Services department will maintain dedicated customer service representatives to handle end-user issues such as call blocking or unblocking and setting up end-user payment accounts. The customer service representatives will be available 24 hours a day, 7 days a week by telephone at 800-844-6591, via chat by visiting our website www.securustech.net, and by facsimile at 972-277-0714. In addition, we will maintain an automated inquiry system on a toll-free customer service phone line that will be available to end-users 24 hours a day, 7 days a week to provide basic information and handle most routine activities. We will also accept payments from end-users by credit card, check, and cash deposit (such as by money order, MoneyGram or Western Union transfer).

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ gives consumers the choice to pre-pay for multiple calls or for a single call just before connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows friends and family to fund the minimum to complete the current inbound call.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per-minute rate and any applicable federal, state, and local taxes. AdvanceConnect Single Call™ is commissioned like an AdvanceConnect™ call that does not use this feature.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what Inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice model enrollment process. This inmate voice model enrollment process will be the responsibility of Customer. Customer's use of Investigator Pro™ is governed by the JLG Technologies, LLC End User Software License Agreement located at <https://securustechnologies.tech/ipro-terms-and-conditions/>, which is incorporated herein by reference.

COMPENSATION:

The cost of Investigator Pro™ was considered and included in offering the Commission percentage and other terms contained herein.

OUTBOUND VOICEMAIL

DESCRIPTION:

Outbound Voicemail allows friends and family (F&F) to retrieve voicemails left by inmates. If an inmate attempts to call F&F but the call goes unanswered, the inmate is given the option to leave a voicemail. If the inmate leaves a voicemail, a text

message containing a link will be sent to the dialed number. Once the F&F clicks the link, they will be sent to a web form to pay and listen to the voicemail.

COMPENSATION:

Outbound Voicemail is priced at the applicable AdvanceConnect calling rates, based on the actual duration of the call, plus any applicable taxes and a \$3.00 transaction fee.

Outbound Voicemail will be commissioned in the same manner as a comparable AdvanceConnect call, and the commission will be based on your current contracted commission rate for a typical AdvanceConnect call. Once Outbound Voicemail is deployed, facilities will be commissioned on the usage portion on purchased voicemails only.

ICER™

DESCRIPTION:

The ICER™ system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications from multiple sources to generate targeted investigative leads.

AUTOMATED INFORMATION SERVICES

DESCRIPTION:

Provider will provide the Automated Information Services (AIS™) as described herein. Once Facility staff has uploaded all required information, the system is able to automate information such as Commissary Balances (pending MIS system data flow); Charge Information; Court Appearance Dates, Times, Locations; Bond Amounts, Types; Projected Release Dates; and Visitation Eligibility, Times. The application is accessed through a telephone IVR system and provides all information automatically without staff intervention 24/7.

Automated Information Services is configurable to meet the specific needs of Customer's Facility. The standard AIS options include automation of inmate and Facility information to (1) constituents who call Customer's existing main telephone number; and (2) inmates at Customer's Facility using the inmate telephone system. The following options (the "Additional AIS™ Options"), which are required in order to be eligible for the No Cost Option, below, are currently available for AIS:

- ✓ Ability to open or fund a Securus pre-paid telephone account (AdvanceConnect)
- ✓ Ability to fund an inmate phone account (Inmate Debit where available)
- ✓ Ability to supplement Inmate deposit services by funding an inmate trust account
- ✓ Ability to leave a voice mail (AIS™ Jail Voicemail)

The AIS™ Jail Voicemail feature is a one-way communication product that allows friends and family members calling a facility to leave a 45-second voicemail for an inmate providing a quick way for friends and family to initiate communication or deliver timely information to an inmate prior to a scheduled phone call or visitation.

Regardless of whether Customer chooses the No Cost Option or Cost Option below, Customer understands and agrees that Provider may, upon future release, expand the AIS™ services offering to include additional constituent notification services or Additional AIS™ Options upon 30 days advance written notice. Provider also offers customized AIS development options based on the terms at <https://www.securustechnologies.com/ais-terms-and-conditions>, which are incorporated herein by reference.

Customer represents and warrants that it is legally authorized to allow Provider to deploy the Automated Information Services (AIS™) as agreed and described herein.

COMPENSATION:

No Cost Option – For any months during the Term where Customer permits the deployment of the Additional AIS™ Options (currently AdvanceConnect phone funding, Inmate Debit funding (only necessary where available), inmate trust account funding, and Jail Voicemail), Provider will provide AIS™ to Customer at no charge.

Cost Option – For any months during the Term where Customer does not comply with the conditions in the foregoing paragraph, Customer agrees to pay Provider \$300.00 per month for AIS™, which will be payable through a commission deduction. In any given month, in the event commissions earned are less than the cost, customer may be sent an invoice for the remaining amount.

Integration Fees – Provider will not charge integration fees, but if a vendor charges an integration fee, Customer will be responsible for its payment.

AIS™ Jail Voicemail – If deployed, friends and family will pay up to a \$1.99 usage fee for each voicemail they leave, 20% of which Provider will pay to Customer each month. AIS™ Jail Voicemail is not subject to any other compensation.

FEES PAYABLE BY DEPOSITOR FOR TRUST FUNDING:

For trust funding transactions through the AIS™ application, the depositor will be charged a base fee per transaction as follows:

Deposit Amount	Fees JPav.com / JPav App	Fees Call Center / AIS IVR
\$0.01 - \$20.00	\$3.95	\$4.95
\$20.01 - \$100.00	\$6.95	\$7.95
\$100.01 - \$200.00	\$8.95	\$9.95
\$200.01 - \$300.00	\$10.95	\$11.95

TABLETS

DESCRIPTION:

Provider will deploy free basic community tablets to Facility. In addition to the free basic community tablets, Provider will offer personal rental tablets with premium content. Customer may purchase tablet earbuds at \$5.66 per set, which may be invoiced or deducted from commissions. Customer is responsible for any applicable taxes and third-party expenses associated with the earbud purchase. Each earbud order must be for at least 25 units and be made in 25 unit increments. Provider may, at its option, decline to fulfill any order that does not conform to these requirements. Customer will not allow the resale of the earbuds for more than \$5.66 per set unless approved by Provider.

Premium content may include, but is not limited to, songs, games, movies, and television episodes. Customer understands and acknowledges that premium content is subject to availability and may change at Provider's discretion. Premium content also may be subject to third-party licensing agreements with content providers.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of \$5.00 per tablet per month plus applicable taxes and/or fees. Provider will pay Customer 10% of the gross revenue earned through the rental of personal tablets and the purchase of premium content on the personal rental tablets. The subscription fee and premium content fees can be paid by using either Inmate Debit or a tablet user account. The parties reserve the right to renegotiate the \$5.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider's tablet-related costs exceed the gross revenue generated.

TERMS & CONDITIONS:

Customer represents and warrants that it will not provide the SecureView Tablet Solution to inmates whom Customer knows or reasonably suspects pose a threat to other inmates or Facility personnel, or who may use an Inmate Tablet in a dangerous or unauthorized manner.

Customer understands and acknowledges that premium content is rented and available only for the duration of an inmate's incarceration at the Facility and will not be made available upon the inmate's release.

Customer further understands and acknowledges that, in instances where inmate telephone calls originate from Tablets, Investigator Pro™ works only with Provider's certified earbuds. If Customer elects to sell alternative earbuds, Customer forgoes the effectiveness of Investigator Pro's™ voice identification technology on Tablet calls. Moreover, Customer will refrain from the sale or distribution of earbuds with a microphone other than Provider's certified earbuds.

PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE SECUREVIEW TABLET SOLUTION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE SECUREVIEW TABLET SOLUTION.

IN NO EVENT WILL PROVIDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING, INCURRED BY CUSTOMER OR INMATE FROM RECEIPT OR USE OF THE SECUREVIEW TABLET SOLUTION OR THE UNAVAILABILITY THEREOF.

Customer hereby agrees to protect, indemnify, defend, and hold harmless Provider from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in any way related to Customer's or inmates' use of the SecureView Tablet solution.

EMESSAGING

DESCRIPTION: Securix eMessaging Application ("eMessaging") allows for two-way electronic communication between friends and family and an inmate. Friends and family purchase eMessaging "stamps," which are used to fund the transmission of an electronic message to an inmate according to the following chart:

Type of Message (When Available)	Number of Stamps	Notes

Text Message	1 stamp per message	
Photo	1 stamp per photo	Limit of 5 photos per eMessage; 3 MB / photo limit
eCard	1 stamp per eCard	Limit of 5 eCards per eMessage
VideoGram	3 stamps per VideoGram	

Different types of messages can also be combined in a single transmission.

The facility can access a web-based portal that enables message review, and can approve and reject a message or attachment based on the facility's policies and criteria. Friends and family must send and receive messages using either the Securus mobile app or their Inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates on a ConnectUs-equipped XL or S-Phone unit or a Securus SecureView tablet.

With Customer's agreement, Provider may (a) issue future releases of eMessaging which contain additional features and functionalities; or (b) modify the pricing contained herein.

COMPENSATION: Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

<u>Number of Stamps in Book</u>	<u>Stamp Book Price (Plus \$3.00 transaction fee and all applicable taxes)</u>
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Inmates are not currently able to purchase their own stamps; however, if available, Provider may deploy this option in the future with Customer's agreement.

Provider will pay Customer a commission of 20% on each redeemed stamp based on the Stamp Book Price (excluding any applicable taxes/fees/surcharges), which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send an original message to an inmate. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

E-MESSAGING TERMS OF USE – Customer's use of eMessaging is governed by the terms and conditions at <https://www.securustechnologies.com/emessaging-terms-and-conditions>, which are incorporated herein by reference.

CALLING RATES

Provider will charge rates that are in compliance with state and federal regulatory requirements. International rates, if applicable, will vary by country.

**Master Services Agreement
KANDIYOHI COUNTY (MN)
A004487**

This Master Services Agreement (this "Agreement") is by and between Kandiyohi County, Minnesota, a political subdivision of the State of Minnesota ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

- 1. Applications.** This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
- 2. Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (*e.g.*, phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (*e.g.*, automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
- 3. Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
- 4. Term.** The obligations of the parties will be effective as of the Effective Date, but the "Initial Term" will begin on March 1, 2020 and will end on the date that is 72 months thereafter. Unless one party delivers to the other written notice of non-renewal at least 90 days before the end of the then current term, this Agreement will automatically renew for successive periods of 12 months each. Provider and Customer may initiate installation of Provider's Tablet, AIS, and eMessaging Applications as both parties agree at any time after the Effective Date. Installation of other Applications will not commence until the incumbent inmate telephone provider's contract expires or terminates. Provider will work in good faith with the incumbent inmate telephone provider regarding transition of relevant services. If the incumbent inmate telephone services provider's contract is renewed or extended beyond March 1, 2020, the parties agree to renegotiate the terms of this Agreement in good faith. Notwithstanding anything to the contrary, in the event such negotiations are unsuccessful, Provider will have the right to terminate this Agreement without penalty. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
- 5. Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. In connection therewith, Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms

and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. **Ownership and Use.** The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. **Legality/Limited License Agreement.** For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. **Private Number Designation.** We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. **Confidentiality and Non-Disclosure.** The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. **Claims.** To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or

covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics. Customer agrees to indemnify Provider against any and all Claims arising out of or related to instruction Provider receives from Customer.

12. **Insurance.** We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. **Default and Termination.** If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. **Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. **Uncontrollable Circumstance.** We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (*e.g.*, Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. **Injunctive Relief.** Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

17. **Force Majeure.** Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. **Notices.** Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – 5 days after deposit; and courier – when delivered as shown by courier records.

19. **No Third-party Beneficiary Rights.** The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. If any legal action or other proceeding is brought for the enforcement of this Agreement or because of an alleged dispute, breach, default, or misrepresentation in connection with any provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover from the non-prevailing party, reasonable attorneys' fees, court costs, and all expenses, even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled. As used herein, "prevailing party" includes without limitation, a party who dismisses an action for recovery hereunder in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the action. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 90 days from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for certain of Provider's services. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer a Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

CENTRALIZED NET CENTRIC, VOIP, DIGITAL TRANSMITTED CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Calling Platform User Interface. We will provide you with the Software regarding the Secure Calling Platform Interface ("S-Gate User Interface"). Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users; (ii) it will use the SCP User Interface for lawful purposes and will not transmit, retransmit, or store material in violation of any federal or state laws or regulation; and (iii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance will be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance will be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of or destruction, damage, or vandalism to the equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, we will have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided *Openworkstation(s)* (see below). For the services contemplated hereunder, we may provide, based upon the Facility's requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "*Openworkstation*" is an open non-secured workstation which permits administrative user rights for Facility personnel and allows the Facility to add additional third-party software. Ownership of the *Openworkstation* is transferred to the Facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY *OPENWORKSTATION(S)*."

- Outage Report; Technical Support.** If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). You may contact Technical Support 24 hours a day, seven days a week (except in the event of planned or emergency outages) by telephone at 866-558-2323, by email at TechnicalSupport@securustech.net, or by facsimile at 800-368-3168. We will provide you commercially reasonable notice, when practical, before any Technical Support outage.
- Priority Classifications.** Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

"Priority 1"	30% or more of the functionality of the System is adversely affected by the System Event.
"Priority 2"	5% - 29% of the functionality of the System is adversely affected by the System Event.
"Priority 3"	Less than 5% of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

- Response Times.** After receipt of notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

- Response Process.** In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival),

as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. **Performance of Service.** All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.
6. **Escalation Contacts.** Your account will be monitored by the applicable Territory Manager and Regional Service Manager. In addition, you may use the following escalation list if our response time exceeds 36 hours: first to the Technical Support Manager or Regional Service Manager, as applicable, then to the Director of Field Services, then to the Executive Director, Service.
7. **Notice of Resolution.** After receiving internal notification that a Priority 1 System Event has been resolved, a technician will contact you to confirm resolution. For a Priority 2 or 3 System Event, a member of our customer satisfaction team will confirm resolution.
8. **Monitoring.** We will monitor our back office and validation systems 24 hours a day, seven days a week.
9. **Required IGR.** You are responsible for providing a dedicated isolated grounded receptacle ("IGR") for use in connection with the primary System. Upon request we will provide you with the specifications for the IGR. If you are unable to or do not provide the IGR, we will provide the IGR on a time and materials basis at the installer's then-current billing rates, provided that we are not responsible for any delay caused by your failure to provide the IGR.
10. **End-User Billing Services and Customer Care.** Our Securus Correctional Billing Services department will maintain dedicated customer service representatives to handle end-user issues such as call blocking or unblocking and setting up end-user payment accounts. The customer service representatives will be available 24 hours a day, 7 days a week by telephone at 800-844-6591, via chat by visiting our website www.securustech.net, and by facsimile at 972-277-0714. In addition, we will maintain an automated inquiry system on a toll-free customer service phone line that will be available to end-users 24 hours a day, 7 days a week to provide basic information and handle most routine activities. We will also accept payments from end-users by credit card, check, and cash deposit (such as by money order, MoneyGram or Western Union transfer).

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ gives consumers the choice to pre-pay for multiple calls or for a single call just before connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows friends and family to fund the minimum to complete the current inbound call.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per-minute rate and any applicable federal, state, and local taxes. AdvanceConnect Single Call™ is commissioned like an AdvanceConnect™ call that does not use this feature.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice model enrollment process. This inmate voice model enrollment process will be the responsibility of Customer. Customer's use of Investigator Pro™ is governed by the JLG Technologies, LLC End User Software License Agreement located at <https://securustechnologies.tech/ipro-terms-and-conditions/>, which is incorporated herein by reference.

COMPENSATION:

The cost of Investigator Pro™ was considered and included in offering the Commission percentage and other terms contained herein.

OUTBOUND VOICEMAIL

DESCRIPTION:

Outbound Voicemail allows friends and family (F&F) to retrieve voicemails left by inmates. If an inmate attempts to call F&F but the call goes unanswered, the inmate is given the option to leave a voicemail. If the inmate leaves a voicemail, a text

message containing a link will be sent to the dialed number. Once the F&F clicks the link, they will be sent to a web form to pay and listen to the voicemail.

COMPENSATION:

Outbound Voicemail is priced at the applicable AdvanceConnect calling rates, based on the actual duration of the call, plus any applicable taxes and a \$3.00 transaction fee.

Outbound Voicemail will be commissioned in the same manner as a comparable AdvanceConnect call, and the commission will be based on your current contracted commission rate for a typical AdvanceConnect call. Once Outbound Voicemail is deployed, facilities will be commissioned on the usage portion on purchased voicemails only.

ICER™

DESCRIPTION:

The ICER™ system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications from multiple sources to generate targeted investigative leads.

Once Facility staff has uploaded all required information, the system is able to automate information such as Commissary Balances (pending MIS system data flow); Charge Information; Court Appearance Dates, Times, Locations; Bond Amounts, Types; Projected Release Dates; and Visitation Eligibility, Times. The application is accessed through a telephone IVR system and provides all information automatically without staff intervention 24/7.

The standard AIS options include automation of inmate and Facility information to (1) constituents who call Customer's existing main telephone number; and (2) inmates at Customer's Facility using the inmate telephone system. The following options (the "Additional AIS™ Options"), which are required in order to be eligible for the No Cost Option, below, are currently available for AIS:

- ✓ Ability to fund an inmate phone account (Inmate Debit where available)
- ✓ Ability to supplement inmate deposit services by funding an inmate trust account
- ✓ Ability to leave a voice mail (AIS™ Jail Voicemail)

The AIS™ Jail Voicemail feature is a one-way communication product that allows friends and family members calling a facility to leave a 45-second voicemail for an inmate providing a quick way for friends and family to initiate communication or deliver timely information to an inmate prior to a scheduled phone call or visitation.

Regardless of whether Customer chooses the No Cost Option or Cost Option below, Customer understands and agrees that Provider may, upon future release, expand the AIS™ services offering to include additional constituent notification services or Additional AIS™ Options upon 30 days advance written notice. Provider also offers customized AIS development options based on the terms at <https://www.securustechnologies.com/ais-terms-and-conditions>, which are incorporated herein by reference.

Customer represents and warrants that it is legally authorized to allow Provider to deploy the Automated Information Services (AIS™) as agreed and described herein.

COMPENSATION:

No Cost Option – For any months during the Term where Customer permits the deployment of the Additional AIS™ Options (currently AdvanceConnect phone funding, Inmate Debit funding (only necessary where available), inmate trust account funding, and Jail Voicemail), Provider will provide AIS™ to Customer at no charge.

Cost Option – For any months during the Term where Customer does not comply with the conditions in the foregoing paragraph, Customer agrees to pay Provider \$300.00 per month for AIS™, which will be payable through a commission deduction. In any given month, in the event commissions earned are less than the cost, customer may be sent an invoice for the remaining amount.

Integration Fees – Provider will not charge integration fees, but if a vendor charges an integration fee, Customer will be responsible for its payment.

AIS™ Jail Voicemail – If deployed, friends and family will pay up to a \$1.99 usage fee for each voicemail they leave, 20% of which Provider will pay to Customer each month. AIS™ Jail Voicemail is not subject to any other compensation.

FEES PAYABLE BY DEPOSITOR FOR TRUST FUNDING:

For trust funding transactions through the AIS™ application, the depositor will be charged a base fee per transaction as follows:

TABLETS

DESCRIPTION:

Provider will deploy free basic community tablets to Facility. In addition to the free basic community tablets, Provider will offer personal rental tablets with premium content. Customer may purchase tablet earbuds at \$5.66 per set, which may be invoiced or deducted from commissions. Customer is responsible for any applicable taxes and third-party expenses associated with the earbud purchase. Each earbud order must be for at least 25 units and be made in 25 unit increments. Provider may, at its option, decline to fulfill any order that does not conform to these requirements. Customer will not allow the resale of the earbuds for more than \$5.66 per set unless approved by Provider.

Customer understands and acknowledges that premium content is subject to availability and may change at Provider’s discretion. Premium content also may be subject to third-party licensing agreements with content providers.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of \$5.00 per tablet per month plus applicable taxes and/or fees. Provider will pay Customer 10% of the gross revenue earned through the rental of personal tablets and the purchase of premium content on the personal rental tablets. The subscription fee and premium content fees can be paid by using either Inmate Debit or a tablet user account. The parties reserve the right to renegotiate the \$5.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider’s tablet-related costs exceed the gross revenue generated.

TERMS & CONDITIONS:

Customer represents and warrants that it will not provide the SecureView Tablet Solution to inmates whom Customer knows or reasonably suspects pose a threat to other inmates or Facility personnel, or who may use an Inmate Tablet in a dangerous or unauthorized manner.

Customer understands and acknowledges that premium content is rented and available only for the duration of an inmate’s incarceration at the Facility and will not be made available upon the inmate’s release.

Customer further understands and acknowledges that, in instances where inmate telephone calls originate from Tablets, Investigator Pro™ works only with Provider’s certified earbuds. EMESSAGING

DESCRIPTION: Securus’ eMessaging Application (“eMessaging”) allows for two-way electronic communication between friends and family and an inmate. Friends and family purchase eMessaging “stamps,” which are used to fund the transmission of an electronic message to an inmate according to the following chart:

Type of Message (When Available)	Number of Stamps	Notes

Text Message	1 stamp per message	
Photo	1 stamp per photo	Limit of 5 photos per eMessage; 3 MB / photo limit
eCard	1 stamp per eCard	Limit of 5 eCards per eMessage
VideoGram	3 stamps per VideoGram	

Different types of messages can also be combined in a single transmission.

The facility can access a web-based portal that enables message review, and can approve and reject a message or attachment based on the facility's policies and criteria. Friends and family must send and receive messages using either the Securus mobile app or their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates on a ConnectUs-equipped XL or S-Phone unit or a Securus SecureView tablet.

With Customer's agreement, Provider may (a) issue future releases of eMessaging which contain additional features and functionalities; or (b) modify the pricing contained herein.

COMPENSATION: Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

<u>Number of Stamps in Book</u>	<u>Stamp Book Price (Plus \$3.00 transaction fee and all applicable taxes)</u>
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Inmates are not currently able to purchase their own stamps; however, if available, Provider may deploy this option in the future with Customer's agreement.

Provider will pay Customer a commission of 20% on each redeemed stamp based on the Stamp Book Price (excluding any applicable taxes/fees/surcharges), which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send an original message to an inmate. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

E-MESSAGING TERMS OF USE – Customer's use of eMessaging is governed by the terms and conditions at <https://www.securustechnologies.com/emessaging-terms-and-conditions>, which are incorporated herein by reference.

CONTRACT ADDENDUM (2021 FCC ORDER)

This Contract Addendum (hereinafter "Addendum") is by and between the party identified below as Customer ("Customer") and Securus Technologies, LLC (f/k/a Securus Technologies, Inc.) ("Provider") and is subject to and governed by the current agreement for telephone services ("Agreement") between Customer and Provider. Its terms are effective on or about October 26, 2021, and this Addendum will be coterminous with the Agreement.

BACKGROUND:

On May 24, 2021, the Federal Communications Commission ("FCC") released its Third Report and Order, Order on Reconsideration, and Fifth Further Notice of Proposed Rulemaking (the "Order") In summary, this Order (a) implements new interim interstate and international rate caps; (b) significantly changes the previous industry practice with respect to the rate caps applied to both interstate and intrastate calls; (c) modifies rules relating to ancillary and third party transaction fees; (d) modifies applicable regulation with respect to consumer reporting and cost recovery of site commissions; and (e) provides notice of further proposed rulemaking which will likely have further significant impact on the industry. Unlike prior FCC action in this area, the Order was unanimous and bipartisan.

APPLICATION OF FCC INTERIM RATE CAPS FOR INTERSTATE AND INTRASTATE CALLS:

The Order mandates new interim calling rate caps for all interstate calls. See Order, Paragraphs 42-48, 47 CFR § 64.6030(a)-(c). The Order also mandates a new approach with respect to intrastate and local calls. "[T]o the extent that a provider cannot determine that the physical endpoints of a call are within the same state, that provider must comply with our new interim interstate rate caps for that call." Order, Paragraph 41 (emphasis added). Other than landline calls (which are a small percentage of overall calling traffic), Provider cannot currently make an accurate determination with respect to the physical endpoint of the called party, and, therefore, is required to apply the new calling rate caps to most intrastate and local calling traffic as well as all interstate calling traffic. To achieve rate uniformity between landline and non-landline calls, Provider intends to rate landline calls in the same manner as non-landline calls.

Accordingly, on or about October 26, 2021, if Customer has calling rates that exceed \$0.21 per minute (the rate cap specified in the Order for Jails with an ADP < 1,000), those rates will be reduced to \$0.21 per minute.

APPLICATION OF FCC INTERIM RATE CAPS FOR INTERSTATE AND INTRASTATE CALLS:

The Order mandates a new interim rate cap for all international calls which is calculated using the interstate rate cap described above plus the average per-minute amount paid by the provider to its underlying wholesale international carriers to terminate international calls to the same "international destination" over the preceding calendar quarter (the "International Rate Cap"). See Order, Paragraphs 178-184; 47 CFR § 64.6030(e).

Accordingly, on or about October 26, 2021, Provider will charge international calling rates equal to or less than the International Rate Cap .

AVERAGE DAILY POPULATION:

The Order applies different rate caps to facilities based on their average daily population (ADP). We understand that your current ADP is < 1,000, and the adjustments described herein are based on that assumption. To facilitate compliance with the Order, Customer agrees to update Provider in the event its ADP becomes greater than or equal to 1,000.

ADJUSTMENT TO FACILITY COMPENSATION :

Effective on or about November 1, 2021, Provider will adjust the compensation payable to Customer based on the option selected by Customer in the following table (Customer to check applicable option):

For all currently commissionable call traffic under the Agreement, the commission percentage (for prepaid, collect, and debit calling) and, if applicable, the prepaid calling card discount, are hereby reduced to 41%.

For international call traffic only, the per-minute amount paid by the provider as a passthrough to its underlying wholesale international carriers to terminate international calls will not be commissionable.

ADJUSTMENT TO TERM:

The term of the Agreement is hereby extended by 0 months. In the event the Agreement has auto renewals or renewal options, those options will continue to be in effect.

ADJUSTMENT TO FACILITY COMPENSATION (MINIMUM GUARANTEES):

Given the significant uncertainty surrounding the economic impact of the Order, the parties hereby agree that the application any minimum annual or minimum monthly guarantees will be suspended effective November 1, 2021 for a period of 12 months. Effective on or about November 1, 2022, any applicable guarantees will be reinstated at a value based on 80% of the previous 12 months' actual compensation earned.

SIGNATURES

The person signing this Addendum represents that he or she has the unrestricted right and requisite authority to enter into and execute this Addendum, to bind Customer named below, and to authorize the changes described herein. Except as expressly amended by this Addendum, all of the terms, conditions and provisions of the Agreement shall remain in full force and effect.

Even if Provider does not receive a signed Addendum, please be advised that Provider must make all changes necessary to comply with applicable law and regulation and will do so on October 26, 2021.
