

**Memorandum of Understanding
COVID-19 Response
CHEATHAM COUNTY JAIL (TN)**

This Memorandum of Understanding ("MOU") is effective as of the last date of signature ("MOU Effective Date") and amends and supplements the current agreement for inmate communications services by and between Securus Technologies, LLC ("we," "us," or "Provider") and Cheatham County Sheriff's Office ("you" or "Customer") (the "Agreement").

WHEREAS, Customer and Provider are parties to the Agreement and desire to temporarily amend the terms as stated herein;

WHEREAS, Customer has requested to make certain temporary changes to certain of Provider's systems in response to disruptions being caused by the spread of the COVID-19 Coronavirus, and Provider agrees to make such changes;

NOW, THEREFORE, as of the MOU Effective Date and in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Term. This MOU is intended as a temporary amendment to the Agreement in response to disruptions being caused by the spread of the COVID-19 Coronavirus.¹ Accordingly, this MOU shall commence on the MOU Effective Date and shall remain in effect until terminated by either party (the "Term"). Either party may terminate this MOU at any time. In the event this MOU is terminated, the parties will coordinate in good faith regarding the process of reversing the changes contemplated by this MOU.
2. Changes to Pricing and Billing. As soon as is practicable, during the Term of this MOU, Provider agrees to make the following changes to its pricing and billing procedures:
 - a. Provider will reduce the current video visitation session pricing by 50% and will no longer pay Customer any commissions or other compensation associated with video visitation. Customer understands and acknowledges that Provider will deduct the commission value of the sessions from Customer's monthly commission payment and, therefore, that actual commission payments will differ from amounts identified in monthly commission reports.
3. Status Update. On or about 30 days after the implementation of the changes described in this MOU, Provider and Customer will confer in good faith regarding the impact of these changes and to discuss any further suggested changes.
4. MOU Confidentiality. Customer will not issue any press release or other public statement regarding the financial terms contemplated by this MOU unless mutually agreed upon by Provider and Customer, provided, however, this will not prohibit Customer from making any general statements about its coronavirus response plan and benefits to affected inmates.
5. Additional Changes to Pricing and Billing. During the Term of this MOU, the parties agree that additional changes in addition to those described in Section 2 of this MOU may be made by mutual documented consent. Any such changes will terminate upon the termination of this MOU.
6. Except as expressly amended by this MOU, all of the terms, conditions and provisions of the Agreement shall remain in full force and effect.

**Master Services Agreement
CHEATHAM COUNTY (TN)
A000683**

This Master Services Agreement (this "Agreement") is by and between Cheatham County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the later of December 18, 2018 or the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (e.g., automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors. Notwithstanding the foregoing, this Section 2 shall not apply to Customer's platform for allowing remote video court hearings or court appearances.
3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
4. Term. The initial term of this Agreement (the "Initial Term") will begin on the Effective Date and will end on the date that is 60 months thereafter. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. **THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.**
6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (1) it will be responsible for

distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Private Number Designation. We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems

that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics.

Notwithstanding any provision of this Agreement or any other document to the contrary, the parties acknowledge and agree that Customer's liability for claims is subject to the Tennessee Governmental Tort Liability Act ("TGTLA") and no provision of this Agreement or any other document will be applied in such a way as to increase Customer's liability in excess of the liability provided pursuant to the TGTLA.

12. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (e.g., Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

17. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery - upon receipt; U.S. mail - 5 days after deposit; and courier - when delivered as shown by courier records.

19. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

EXECUTED as of the Effective Date.

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 90 days from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, Inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow Inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call to complete the call and pay for the call using the inmate's Debit account. If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to Inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For Inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar

month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

Where permitted by law, when calculating commissions owed, \$0.10 per call will be deducted from the "per minute" call charge. Further, if permitted by state and federal regulatory requirements, the per-minute call charge will be increased by \$0.10 for all calls.

Signing Bonus. On the first day of the month following this Schedule Effective Date, we will pay you a one-time signing bonus of \$10,000. If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) 15% per annum and (b) the maximum rate allowed by law. You will pay any such refund within 10 days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. All signing bonus payments will be final and binding upon you unless we receive written objection within 60 days after the signing bonus has been paid to you. Customer acknowledges and understands that the signing bonus is a one-time payment, not a recurring or annual payment.

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ is flexible in that it allows consumers the choice to pre-pay for multiple calls or pre-pay for a single call just prior to connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows F&F to fund the bare minimum to complete the current inbound call.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per minute rate and any applicable federal, state, and local taxes. AdvanceConnect Single Call™ is commissioned in the same manner as an AdvanceConnect™ call that does not use this feature.

THREADS™

DESCRIPTION:

The THREADS™ application allows authorized law enforcement users to analyze corrections and communications data from multiple sources to generate targeted investigative leads. THREADS™ has three main components: data analysis, data review, and data import. In addition, THREADS™ offers an optional "community" feature, which allows member correctional facilities to access and analyze corrections communications data from other correctional facilities within the community and data imported by other community members. Customer's use of THREADS™ is governed by and conditioned upon the terms set forth herein.

COMPENSATION:

Provider will charge Customer a non-commissionable license fee of \$0.25 per call, which fee will be added to the "per call charge" calling rates for all calls, if permitted by state and federal regulatory requirements and will not be billed separately, unless such separate billing is required by state or federal regulatory requirements.

COMMUNITY FEATURE:

Customer has elected to opt in to the community feature. The community feature allows authorized users access to analyze communications data generated from other corrections facilities within the community, as well as any data imported or added by other authorized community members. Customer acknowledges and understands that data from its facility or facilities will be made available to the community for analysis and review.

THREADS™ TERMS OF USE:

1. Customer will comply with all privacy, consumer protection, marketing, and data security laws and government guidelines applicable to Customer's access to and use of information obtained in connection with or through the THREADS™ application. Customer acknowledges and understands that the Customer is solely responsible for its compliance with such laws and that Provider makes no representation or warranty as to the legality of the use of the THREADS™ application or the information obtained in connection therewith. Provider will have no obligation, responsibility, or liability for Customer's compliance with any and all laws, regulations, policies, rules or other requirements applicable to Customer by virtue of its use of the THREADS™ application.
2. Customer acknowledges that the information available through the THREADS™ application includes personally identifiable information and that it is Customer's obligation to keep all such accessed information secure. Accordingly, Customer will (a) restrict access to THREADS™ to those law enforcement personnel who have a need to know as part of their official duties; (b) ensure that its employees (i) obtain and/or use information from the THREADS™ application only for lawful purposes and (ii) transmit or disclose any such information only as permitted or required by law; (c) keep all user identification numbers confidential and prohibit the sharing of user identification numbers; (d) use commercially reasonable efforts to monitor and prevent against unauthorized access to or use of the THREADS™ application and any information derived therefrom (whether in electronic form or hard copy); (e) notify Provider promptly of any such unauthorized access or use that Customer discovers or otherwise becomes aware of; and (f) unless required by law, purge all information obtained through the THREADS™ application and stored electronically or on hard copy by Customer within ninety (90) days of initial receipt or upon expiration of retention period required by law.
3. Customer understands and acknowledges that all information used and obtained in connection with the THREADS™ application is "AS IS." Customer further understands and acknowledges that THREADS™ uses data from third-party sources, which may or may not be thorough and/or accurate, and that Customer will not rely on Provider for the accuracy or completeness of information obtained through the THREADS™ application. Customer understands and acknowledges that Customer may be restricted from accessing certain aspects of the THREADS™ application which may be otherwise available. Provider reserves the right to modify, enhance, or discontinue any of the features that are currently part of the THREADS™ application. Moreover, if Provider determines in its sole discretion that the THREADS™ application and/or Customer's use thereof (1) violates the terms and conditions set forth herein and/or in the Agreement or (2) violates any law or regulation or (3) is reasonably likely to be so determined, Provider may, upon written notice, immediately terminate Customer's access to the THREADS™ application and will have no further liability or responsibility to Customer with respect thereto.
4. Provider will have no liability to Customer (or to any person to whom Customer may have provided data from the THREADS™ application) for any loss or injury arising out of or in connection with the THREADS™ application or Customer's use thereof. If, notwithstanding the foregoing, liability can be imposed on Provider, Customer agrees that Provider's aggregate liability for any and all losses or injuries arising out of any act or omission of Provider in connection with the THREADS™ application, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, will never exceed \$100.00. Customer covenants and promises that it will not seek to recover from Provider an amount greater than such sum even if Customer was advised of the possibility of such damages. PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE THREADS™ APPLICATION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE THREADS™ APPLICATION OR INFORMATION OBTAINED IN CONNECTION THEREWITH. IN NO EVENT WILL PROVIDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. HOWEVER ARISING,

INCURRED BY CUSTOMER FROM RECEIPT OR USE OF INFORMATION OBTAINED IN CONNECTION WITH THE THREADS™ APPLICATION OR THE UNAVAILABILITY THEREOF.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice print enrollment process. This inmate voice print enrollment process will be the responsibility of Customer.

COMPENSATION:

In exchange for receipt of Investigator Pro™, Customer will pay Provider a licensing fee equal to \$0.02 per all completed call minutes, which will be paid by way of commission deductions. Payment will commence upon installation. In any given month, in the event commissions earned are less than the licensing fee, Customer may be sent an invoice for the remaining amount. To help offset the cost recovery of Investigator Pro™ at Customer's Facilities, call rates to end users will increase by \$0.02 per minute (excluding Interstate), if permitted by state and federal regulatory requirements.

ICER™

DESCRIPTION:

The ICER™ system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications from multiple sources to generate targeted investigative leads.

EMESSAGING

DESCRIPTION:

Securus' eMessaging Application ("eMessaging") allows for two-way electronic communication between friends and family and their incarcerated loved one. eMessaging works by allowing friends and family to purchase eMessaging "stamps," which they can use to fund the transmission of an electronic message to their incarcerated loved one. Each text message costs only a single stamp, while a text message with an attached picture costs only two stamps. If a friend or family members wishes, they can include an additional stamp that will allow their incarcerated loved one to send a single return message. Return messages are text only; no picture attachments are allowed. Inmates are not able to purchase their own stamps at this time. The facility is provided a web-based portal that enables the review of messaging with various options for review. The facility can approve and reject a message based on their policies and criteria. Friends and family must send and receive messages using either the Securus mobile app for android devices or access their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates on a ConnectUs-equipped unit or a Securus SecureView tablet.

COMPENSATION: Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

Number of Stamps in Book	Stamp Book Price (Plus \$3.00 transaction fee and all applicable taxes)
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Provider will pay Customer a commission of 20% on each redeemed stamp, based on the purchase price of the stamp, which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send an original message to an inmate or when a single return message from the inmate is prepaid for by the Inmate's friends and

family. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

E-MESSAGING TERMS OF USE:

Customer's use of eMessaging is governed by the terms and conditions at <https://www.securustechnologies.com/emessaging-terms-and-conditions>, which are incorporated herein by reference.

**Schedule: SECURUS VIDEO VISITATION
CHEATHAM COUNTY (TN)
A000683**

This Securus Video Visitation Schedule is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, Inc. ("we" or "Provider" or "Securus") and Cheatham County Sheriff's Office ("you" or "Customer"). The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

In addition to the Applications otherwise being provided to Customer pursuant to the Agreement, Provider will deploy a Video Visitation System as specified in Attachment 1 at the Facility(s) during the Term of the Agreement.

TERMS:

Provider will charge Securus Video Visitation session charges that are in compliance with state and federal regulatory requirements plus applicable taxes/fees/surcharges, and Provider may impose time limitations on Video Visitation sessions at its discretion; provided, however, that Provider reserves the right, at its sole option, to (i) offer promotional pricing, (ii) offer monthly flat rate subscription services, which would allow for unlimited monthly remote visits (certain restrictions may apply), and (iii) to extend the duration of visitation sessions. If Customer wishes to offer free sessions for any reason other than as allowed pursuant to the Agreement, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer. As used herein, "remote" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a location not on Customer's premises. "On-site" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a terminal located on Customer's premises.

Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus' promotional literature in the Facility's visitation lobby; (b) unless otherwise prohibited by Customer's telephone service contract, add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call participants; and (c) issue a joint press release regarding the execution of this agreement by both parties. All Video Visitation sessions must be scheduled online by the visitor by accessing Provider's website at www.securustech.net.

If applicable, all recorded Video Visitation sessions will have a standard retention of 30 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 30 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 30 days. Further, it is Customer's sole responsibility to (i) establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide for appropriate accommodations to allow for non-recorded visits, as necessary.

PAYMENT OPTIONS:

The upfront and recurring operational costs for the deployment, management and support of the Video Visitation System are set forth in the Sales Order Form contained in Attachment 1 hereto (the "Total Costs"). Customer, at its option, may either elect to pay the Total Costs itself or have Provider pay the Total Costs by choosing one of the following options (place a check ("✓" or "X") next to option selected):

- Option 1:** Customer elects to pay all of the Total Costs set forth in Attachment 1 hereto. By choosing this option, the four additional requirements listed under Option 2 will not apply.
- Option 2:** Customer elects to have Provider advance the Total Costs set forth in Attachment 1. By choosing this option, starting on the first day of the month following deployment of the Video Visitation System and continuing through the Term of the Agreement, Customer agrees to contribute toward payment of the Total Cost by paying \$903 per month for licensing and maintenance of the Video Visitation System, which will be payable through a Commission deduction (the "SVV Commission Deduction"). If the SVV Commission

Deduction exceeds the Commission for the relevant month or, if for any reason, the Agreement terminates or expires during the relevant month, then Provider will invoice Customer for the balance, which will be due within 30 days after the date of the invoice. In the event this Agreement is terminated for any reason before the end of the then-current Term, Customer will refund the amount of the Total Cost set forth in the attached Sales Order Form that has not been recovered by Provider via the SVV Commission Deduction. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.

By choosing this option, Customer agrees to implement the following additional requirements (which are designed to (i) maximize the full utilization of the Video Visitation System at the Facility(s), (ii) assist Customer in maximizing the scheduling System Software, (iii) improve and automate manual visitation processes, (iv) increase officer safety, (v) maximize the options to the inmates and public to conduct visitation, and (vi) thus allow Provider to recover the total costs over time):

1. Customer agrees that Video Visitation must be available for paid remote sessions seven days a week for a minimum of 80 hours per Video Visitation terminal per week.
2. Customer will allow inmates to conduct remote visits without quantity limits other than for punishment for individual inmate misbehavior.
3. All on-site Video Visitation sessions will be required to be scheduled at least 24 hours in advance, where practicable.
4. Within 6 months following deployment of the Video Visitation System, Customer will endeavor to reach at least one remote paid Video Visitation session per inmate per month.

Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation services hereunder is based on Customer's estimated Average Daily Population and a minimum of one remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than one per inmate per month, Provider reserves the right, no sooner than 12 months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Customer is responsible for all Jail Management System (JMS) and Commissary integration fees as well as electrical installation, unless otherwise specified in Attachment 1.

WARRANTY: Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of 12 months from the date of installation of the Hardware Components. This warranty will be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider will provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

OWNERSHIP AND USE. The Video Visitation System and Software will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's Applications, the Video Visitation System, and Provider's other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

IN WITNESS WHEREOF, the parties have caused this Video Visitation Schedule to be executed as of the Schedule Effective Date by their duly authorized representatives.

This Master Services Agreement (this "Agreement") is by and between Cheatham County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the later of December 18, 2018 or the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **Applications.** This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
2. **Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (e.g., automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors. Notwithstanding the foregoing, this Section 2 shall not apply to Customer's platform for allowing remote video court hearings or court appearances.
3. **Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
4. **Term.** The initial term of this Agreement (the "Initial Term") will begin on the Effective Date and will end on the date that is 60 months thereafter. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
5. **Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.
6. **Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for

distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Private Number Designation. We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems

that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics.

Notwithstanding any provision of this Agreement or any other document to the contrary, the parties acknowledge and agree that Customer's liability for claims is subject to the Tennessee Governmental Tort Liability Act ("TGTLA") and no provision of this Agreement or any other document will be applied in such a way as to increase Customer's liability in excess of the liability provided pursuant to the TGTLA.

12. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (e.g., Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

17. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – 5 days after deposit; and courier – when delivered as shown by courier records.

19. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

This Schedule is between Securus Technologies, Inc. ("we" or "Provider"), and Cheatham County Sheriff's Office ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 90 days from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call to complete the call and pay for the call using the inmate's Debit account. If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar

month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

Where permitted by law, when calculating commissions owed, \$0.10 per call will be deducted from the "per minute" call charge. Further, if permitted by state and federal regulatory requirements, the per-minute call charge will be increased by \$0.10 for all calls.

Signing Bonus. On the first day of the month following this Schedule Effective Date, we will pay you a one-time signing bonus of \$10,000. If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) 15% per annum and (b) the maximum rate allowed by law. You will pay any such refund within 10 days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. All signing bonus payments will be final and binding upon you unless we receive written objection within 60 days after the signing bonus has been paid to you. Customer acknowledges and understands that the signing bonus is a one-time payment, not a recurring or annual payment.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance will be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance will be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of or destruction, damage, or vandalism to the equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, we will have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided *Openworkstation(s)* (see below). For the services contemplated hereunder, we may provide, based upon the Facility's requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "*Openworkstation*" is an open non-secured workstation which permits administrative user rights for Facility personnel and allows the Facility to add additional third-party software. Ownership of the *Openworkstation* is transferred to the Facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY *OPENWORKSTATION(S)*."

- Outage Report: Technical Support. If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). You may contact Technical Support 24 hours a day, seven days a week (except in the event of planned or emergency outages) by telephone at 866-558-2323, by email at TechnicalSupport@securustech.net, or by facsimile at 800-368-3168. We will provide you commercially reasonable notice, when practical, before any Technical Support outage.
- Priority Classifications. Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

"Priority 1"	30% or more of the functionality of the System is adversely affected by the System Event.
"Priority 2"	5% - 29% of the functionality of the System is adversely affected by the System Event.
"Priority 3"	Less than 5% of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

- Response Times. After receipt of notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

- Response Process. In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of

arrival), as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. Performance of Service. All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.

Upon request we will provide you with the specifications for the IGR. If you are unable to or do not provide the IGR, we will provide the IGR on a time and materials basis at the installer's then-current billing rates, provided that we are not responsible for any delay caused by your failure to provide the IGR.

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ is flexible in that it allows consumers the choice to pre-pay for multiple calls or pre-pay for a single call just prior to connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows F&F to fund the bare minimum to complete the current inbound call.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per minute rate and any applicable federal, state, and local taxes. AdvanceConnect Single Call™ is commissioned in the same manner as an AdvanceConnect™ call that does not use this feature.

THREADS™

DESCRIPTION:

The THREADS™ application allows authorized law enforcement users to analyze corrections and communications data from multiple sources to generate targeted investigative leads. THREADS™ has three main components: data analysis, data review, and data import. In addition, THREADS™ offers an optional "community" feature, which allows member correctional facilities to access and analyze corrections communications data from other correctional facilities within the community and data imported by other community members. Customer's use of THREADS™ is governed by and conditioned upon the terms set forth herein.

COMPENSATION:

Provider will charge Customer a non-commissionable license fee of \$0.25 per call, which fee will be added to the "per call charge" calling rates for all calls, if permitted by state and federal regulatory requirements and will not be billed separately, unless such separate billing is required by state or federal regulatory requirements.

COMMUNITY FEATURE:

Customer has elected to opt in to the community feature. The community feature allows authorized users access to analyze communications data generated from other corrections facilities within the community, as well as any data imported or added by other authorized community members. Customer acknowledges and understands that data from its facility or facilities will be made available to the community for analysis and review.

THREADS™ TERMS OF USE:

1. Customer will comply with all privacy, consumer protection, marketing, and data security laws and government guidelines applicable to Customer's access to and use of information obtained in connection with or through the THREADS™ application. Customer acknowledges and understands that the Customer is solely responsible for its compliance with such laws and that Provider makes no representation or warranty as to the legality of the use of the THREADS™ application or the information obtained in connection therewith. Provider will have no obligation, responsibility, or liability for Customer's compliance with any and all laws, regulations, policies, rules or other requirements applicable to Customer by virtue of its use of the THREADS™ application.
2. Customer acknowledges that the information available through the THREADS™ application includes personally identifiable information and that it is Customer's obligation to keep all such accessed information secure. Accordingly, Customer will (a) restrict access to THREADS™ to those law enforcement personnel who have a need to know as part of their official duties; (b) ensure that its employees (i) obtain and/or use information from the THREADS™ application only for lawful purposes and (ii) transmit or disclose any such information only as permitted or required by law; (c) keep all user identification numbers confidential and prohibit the sharing of user identification numbers; (d) use commercially reasonable efforts to monitor and prevent against unauthorized access to or use of the THREADS™ application and any information derived therefrom (whether in electronic form or hard copy); (e) notify Provider promptly of any such unauthorized access or use that Customer discovers or otherwise becomes aware of; and (f) unless required by law, purge all information obtained through the THREADS™ application and stored electronically or on hard copy by Customer within ninety (90) days of initial receipt or upon expiration of retention period required by law.
3. Customer understands and acknowledges that all information used and obtained in connection with the THREADS™ application is "AS IS." Customer further understands and acknowledges that THREADS™ uses data from third-party sources, which may or may not be thorough and/or accurate, and that Customer will not rely on Provider for the accuracy or completeness of information obtained through the THREADS™ application. Customer understands and acknowledges that Customer may be restricted from accessing certain aspects of the THREADS™ application which may be otherwise available. Provider reserves the right to modify, enhance, or discontinue any of the features that are currently part of the THREADS™ application. Moreover, if Provider determines in its sole discretion that the THREADS™ application and/or Customer's use thereof (1) violates the terms and conditions set forth herein and/or in the Agreement or (2) violates any law or regulation or (3) is reasonably likely to be so determined, Provider may, upon written notice, immediately terminate Customer's access to the THREADS™ application and will have no further liability or responsibility to Customer with respect thereto.
4. Provider will have no liability to Customer (or to any person to whom Customer may have provided data from the THREADS™ application) for any loss or injury arising out of or in connection with the THREADS application or Customer's use thereof. If, notwithstanding the foregoing, liability can be imposed on Provider, Customer agrees that Provider's aggregate liability for any and all losses or injuries arising out of any act or omission of Provider in connection with the THREADS™ application, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, will never exceed \$100.00. Customer covenants and promises that it will not seek to recover from Provider an amount greater than such sum even if Customer was advised of the possibility of such damages. PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE THREADS™ APPLICATION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE THREADS™ APPLICATION OR INFORMATION OBTAINED IN CONNECTION THEREWITH. IN NO EVENT WILL PROVIDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING,

INCURRED BY CUSTOMER FROM RECEIPT OR USE OF INFORMATION OBTAINED IN CONNECTION WITH THE THREADS™ APPLICATION OR THE UNAVAILABILITY THEREOF.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice print enrollment process. This inmate voice print enrollment process will be the responsibility of Customer.

COMPENSATION:

In exchange for receipt of Investigator Pro™, Customer will pay Provider a licensing fee equal to \$0.02 per all completed call minutes, which will be paid by way of commission deductions. Payment will commence upon installation. In any given month, in the event commissions earned are less than the licensing fee, Customer may be sent an invoice for the remaining amount. To help offset the cost recovery of Investigator Pro™ at Customer's Facilities, call rates to end users will increase by \$0.02 per minute (excluding interstate), if permitted by state and federal regulatory requirements.

ICER™

DESCRIPTION:

The ICER™ system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications from multiple sources to generate targeted investigative leads.

EMESSAGING

DESCRIPTION:

Securus' eMessaging Application ("eMessaging") allows for two-way electronic communication between friends and family and their incarcerated loved one. eMessaging works by allowing friends and family to purchase eMessaging "stamps," which they can use to fund the transmission of an electronic message to their incarcerated loved one. Each text message costs only a single stamp, while a text message with an attached picture costs only two stamps. If a friend or family members wishes, they can include an additional stamp that will allow their incarcerated loved one to send a single return message. Return messages are text only; no picture attachments are allowed. Inmates are not able to purchase their own stamps at this time. The facility is provided a web-based portal that enables the review of messaging with various options for review. The facility can approve and reject a message based on their policies and criteria. Friends and family must send and receive messages using either the Securus mobile app for android devices or access their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates on a ConnectUs-equipped unit or a Securus SecureView tablet.

COMPENSATION: Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

Number of Stamps in Book	Stamp Book Price (Plus \$3.00 transaction fee and all applicable taxes)
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Provider will pay Customer a commission of 20% on each redeemed stamp, based on the purchase price of the stamp, which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send an original message to an inmate or when a single return message from the inmate is prepaid for by the inmate's friends and

family. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

E-MESSAGING TERMS OF USE:

Customer's use of eMessaging is governed by the terms and conditions at <https://www.securustechnologies.com/emessaging-terms-and-conditions>, which are incorporated herein by reference.

**Schedule: SECURUS VIDEO VISITATION
CHEATHAM COUNTY (TN)**

A000683

This Securus Video Visitation Schedule is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, Inc. ("we" or "Provider" or "Securus") and Cheatham County Sheriff's Office ("you" or "Customer"). The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

In addition to the Applications otherwise being provided to Customer pursuant to the Agreement, Provider will deploy a Video Visitation System as specified in Attachment 1 at the Facility(s) during the Term of the Agreement.

TERMS:

Provider will charge Securus Video Visitation session charges that are in compliance with state and federal regulatory requirements plus applicable taxes/fees/surcharges, and Provider may impose time limitations on Video Visitation sessions at its discretion; provided, however, that Provider reserves the right, at its sole option, to (i) offer promotional pricing, (ii) offer monthly flat rate subscription services, which would allow for unlimited monthly remote visits (certain restrictions may apply), and (iii) to extend the duration of visitation sessions. If Customer wishes to offer free sessions for any reason other than as allowed pursuant to the Agreement, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer. As used herein, "remote" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a location not on Customer's premises. "On-site" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a terminal located on Customer's premises.

Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus' promotional literature in the Facility's visitation lobby; (b) unless otherwise prohibited by Customer's telephone service contract, add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call participants; and (c) issue a joint press release regarding the execution of this agreement by both parties. All Video Visitation sessions must be scheduled online by the visitor by accessing Provider's website at www.securustech.net.

If applicable, all recorded Video Visitation sessions will have a standard retention of 30 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 30 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 30 days. Further, it is Customer's sole responsibility to (i) establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide for appropriate accommodations to allow for non-recorded visits, as necessary.

PAYMENT OPTIONS:

The upfront and recurring operational costs for the deployment, management and support of the Video Visitation System are set forth in the Sales Order Form contained in Attachment 1 hereto (the "Total Costs"). Customer, at its option, may either elect to pay the Total Costs itself or have Provider pay the Total Costs by choosing one of the following options (place a check ("✓" or "X") next to option selected):

- Option 1: Customer elects to pay all of the Total Costs set forth in Attachment 1 hereto. By choosing this option, the four additional requirements listed under Option 2 will not apply.
- Option 2: Customer elects to have Provider advance the Total Costs set forth in Attachment 1. By choosing this option, starting on the first day of the month following deployment of the Video Visitation System and continuing through the Term of the Agreement, Customer agrees to contribute toward payment of the Total Cost by paying \$903 per month for licensing and maintenance of the Video Visitation System, which will be payable through a Commission deduction (the "SVV Commission Deduction"). If the SVV Commission

Deduction exceeds the Commission for the relevant month or, if for any reason, the Agreement terminates or expires during the relevant month, then Provider will invoice Customer for the balance, which will be due within 30 days after the date of the invoice. In the event this Agreement is terminated for any reason before the end of the then-current Term, Customer will refund the amount of the Total Cost set forth in the attached Sales Order Form that has not been recovered by Provider via the SVV Commission Deduction. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.

By choosing this option, Customer agrees to implement the following additional requirements (which are designed to (i) maximize the full utilization of the Video Visitation System at the Facility(s), (ii) assist Customer in maximizing the scheduling System Software, (iii) improve and automate manual visitation processes, (iv) increase officer safety, (v) maximize the options to the inmates and public to conduct visitation, and (vi) thus allow Provider to recover the total costs over time):

1. Customer agrees that Video Visitation must be available for paid remote sessions seven days a week for a minimum of 80 hours per Video Visitation terminal per week.
2. Customer will allow inmates to conduct remote visits without quantity limits other than for punishment for individual inmate misbehavior.
3. All on-site Video Visitation sessions will be required to be scheduled at least 24 hours in advance, where practicable.
4. Within 6 months following deployment of the Video Visitation System, Customer will endeavor to reach at least one remote paid Video Visitation session per inmate per month.

Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation services hereunder is based on Customer's estimated Average Daily Population and a minimum of one remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than one per inmate per month, Provider reserves the right, no sooner than 12 months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Customer is responsible for all Jail Management System (JMS) and Commissary integration fees as well as electrical installation, unless otherwise specified in Attachment 1.

WARRANTY: Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of 12 months from the date of installation of the Hardware Components. This warranty will be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider will provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

OWNERSHIP AND USE. The Video Visitation System and Software will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's Applications, the Video Visitation System, and Provider's other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

IN WITNESS WHEREOF, the parties have caused this Video Visitation Schedule to be executed as of the Schedule Effective Date by their duly authorized representatives.

By choosing this option, starting on the first day of the month following deployment of the Video Visitation System and continuing through the Term of the Agreement, Customer agrees to contribute toward payment of the Total Cost by paying \$903 per month for licensing and maintenance of the Video Visitation System, which will be payable through a Commission deduction (the "SVV Commission Deduction"). If the SVV Commission Deduction exceeds the Commission for the relevant month or, if for any reason, the Agreement terminates or expires during the relevant month, then Provider will invoice Customer for the balance, which will be due within 30 days after the date of the invoice. In the event this Agreement is terminated for any reason before the end of the then-current Term, Customer will refund the amount of the Total Cost set forth in the attached Sales Order Form that has not been recovered by Provider via the SVV Commission Deduction. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.
- 3.2 Provider will deploy its Video Visitation, Inmate Forms (Grievance), and Inmate Handbook (.PDF) ConnectUs Applications. The cost of these applications was considered and included in offering the Commission Percentage, Remote Visitation Payment, and other terms in this Agreement.
- 3.3 Customer will be responsible for all Jail Management System and Commissary integration fees, if applicable, as well as electrical wiring installation.

4. WARRANTIES AND LIMITATIONS

4.1 Service Warranties.

- (a) Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of twelve (12) months from the date of installation of the Hardware Components.
- (b) Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Provider make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

4.2 Limitation of Warranty.

- (a) THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.
- (b) EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4.3 Professional Responsibility. As between Customer and Provider, Customer assumes full responsibility for the use of information provided through the Application(s) for patient care. Clinical information, if any, in the Applications is intended as a supplement to, and not a substitute for, the knowledge, expertise, and judgment of professional personnel. Customer acknowledges that the professional duty to the patient in providing healthcare services lies solely with the healthcare professional providing patient care services. Provider disclaims liability for the use of any information provided by, or results obtained from, the Applications used by professional personnel. Provider, its affiliates and licensors, are not liable for actions of Customer or its authorized users, which may result in any liability due to malpractice or failure to warn. Provider provides no medical or other professional advice in connection with the Applications and the information contained therein. The parties acknowledge that a licensed professional is responsible for independently reaching any medical or other professional judgment and for any resulting diagnosis and treatments, notwithstanding any use of the Applications by such professional.

**Master Services Agreement
CHEATHAM COUNTY (TN)
A000683**

This Master Services Agreement (this "Agreement") is by and between Cheatham County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the later of December 18, 2018 or the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

- 1. Applications.** This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
- 2. Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (e.g., automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors. Notwithstanding the foregoing, this Section 2 shall not apply to Customer's platform for allowing remote video court hearings or court appearances.
- 3. Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
- 4. Term.** The initial term of this Agreement (the "Initial Term") will begin on the Effective Date and will end on the date that is 60 months thereafter. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
- 5. Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.
- 6. Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for

distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Private Number Designation. We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems

that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics.

Notwithstanding any provision of this Agreement or any other document to the contrary, the parties acknowledge and agree that Customer's liability for claims is subject to the Tennessee Governmental Tort Liability Act ("TGTLA") and no provision of this Agreement or any other document will be applied in such a way as to increase Customer's liability in excess of the liability provided pursuant to the TGTLA.

12. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (e.g., Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

17. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery - upon receipt; U.S. mail - 5 days after deposit; and courier - when delivered as shown by courier records.

19. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

("we" or "Provider"), and Cheatham County Sheriff's Office ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 90 days from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call to complete the call and pay for the call using the inmate's Debit account. If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar

month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

Where permitted by law, when calculating commissions owed, \$0.10 per call will be deducted from the "per minute" call charge. Further, if permitted by state and federal regulatory requirements, the per-minute call charge will be increased by \$0.10 for all calls.

Signing Bonus. On the first day of the month following this Schedule Effective Date, we will pay you a one-time signing bonus of \$10,000. If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) 15% per annum and (b) the maximum rate allowed by law. You will pay any such refund within 10 days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. All signing bonus payments will be final and binding upon you unless we receive written objection within 60 days after the signing bonus has been paid to you. Customer acknowledges and understands that the signing bonus is a one-time payment, not a recurring or annual payment.

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance will be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance will be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, we will have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided *Openworkstation(s)* (see below). For the services contemplated hereunder, we may provide, based upon the Facility's requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "*Openworkstation*" is an open non-secured workstation which permits administrative user rights for Facility personnel and allows the Facility to add additional third-party software. Ownership of the *Openworkstation* is transferred to the Facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY *OPENWORKSTATION(S)*."

1. **Outage Report; Technical Support.** If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). arrival), as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

ADVANCECONNECT SINGLE CALL™

DESCRIPTION

Securus' AdvanceConnect™ payment product allows family members and friends to pre-pay for calls originating from inmates in correctional facilities. AdvanceConnect™ is flexible in that it allows consumers the choice to pre-pay for multiple calls or pre-pay for a single call just prior to connection using the AdvanceConnect Single Call™ feature. AdvanceConnect Single Call™ allows F&F to fund the bare minimum to complete the current inbound call.

COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per minute rate and any applicable federal, state, and local taxes. AdvanceConnect Single Call™ is commissioned in the same manner as an AdvanceConnect™ call that does not use this feature.

THREADS™

DESCRIPTION:

The THREADS™ application allows authorized law enforcement users to analyze corrections and communications data from multiple sources to generate targeted investigative leads. THREADS™ has three main components: data analysis, data review, and data import. In addition, THREADS™ offers an optional "community" feature, which allows member correctional facilities to access and analyze corrections communications data from other correctional facilities within the community and data imported by other community members. Customer's use of THREADS™ is governed by and conditioned upon the terms set forth herein.

COMPENSATION:

Provider will charge Customer a non-commissionable license fee of \$0.25 per call, which fee will be added to the "per call charge" calling rates for all calls, if permitted by state and federal regulatory requirements and will not be billed separately, unless such separate billing is required by state or federal regulatory requirements.

COMMUNITY FEATURE:

Customer has elected to opt in to the community feature. The community feature allows authorized users access to analyze communications data generated from other corrections facilities within the community, as well as any data imported or added by other authorized community members. Customer acknowledges and understands that data from its facility or facilities will be made available to the community for analysis and review.

THREADS™ TERMS OF USE:

1. Customer will comply with all privacy, consumer protection, marketing, and data security laws and government guidelines applicable to Customer's access to and use of information obtained in connection with or through the THREADS™ application. Customer acknowledges and understands that the Customer is solely responsible for its compliance with such laws and that Provider makes no representation or warranty as to the legality of the use of the THREADS™ application or the information obtained in connection therewith. Provider will have no obligation, responsibility, or liability for Customer's compliance with any and all laws, regulations, policies, rules or other requirements applicable to Customer by virtue of its use of the THREADS™ application.
2. Customer acknowledges that the information available through the THREADS™ application includes personally identifiable information and that it is Customer's obligation to keep all such accessed information secure. Accordingly, Customer will (a) restrict access to THREADS™ to those law enforcement personnel who have a need to know as part of their official duties; (b) ensure that its employees (i) obtain and/or use information from the THREADS™ application only for lawful purposes and (ii) transmit or disclose any such information only as permitted or required by law; (c) keep all user identification numbers confidential and prohibit the sharing of user identification numbers; (d) use commercially reasonable efforts to monitor and prevent against unauthorized access to or use of the THREADS™ application and any information derived therefrom (whether in electronic form or hard copy); (e) notify Provider promptly of any such unauthorized access or use that Customer discovers or otherwise becomes aware of; and (f) unless required by law, purge all information obtained through the THREADS™ application and stored electronically or on hard copy by Customer within ninety (90) days of initial receipt or upon expiration of retention period required by law.
3. Customer understands and acknowledges that all information used and obtained in connection with the THREADS™ application is "AS IS." Customer further understands and acknowledges that THREADS™ uses data from third-party sources, which may or may not be thorough and/or accurate, and that Customer will not rely on Provider for the accuracy or completeness of information obtained through the THREADS™ application. Customer understands and acknowledges that Customer may be restricted from accessing certain aspects of the THREADS™ application which may be otherwise available. Provider reserves the right to modify, enhance, or discontinue any of the features that are currently part of the THREADS™ application. Moreover, if Provider determines in its sole discretion that the THREADS™ application and/or Customer's use thereof (1) violates the terms and conditions set forth herein and/or in the Agreement or (2) violates any law or regulation or (3) is reasonably likely to be so determined, Provider may, upon written notice, immediately terminate Customer's access to the THREADS™ application and will have no further liability or responsibility to Customer with respect thereto.
4. Provider will have no liability to Customer (or to any person to whom Customer may have provided data from the THREADS™ application) for any loss or injury arising out of or in connection with the THREADS™ application or Customer's use thereof. If, notwithstanding the foregoing, liability can be imposed on Provider, Customer agrees that Provider's aggregate liability for any and all losses or injuries arising out of any act or omission of Provider in connection with the THREADS™ application, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, will never exceed \$100.00. Customer covenants and promises that it will not seek to recover from Provider an amount greater than such sum even if Customer was advised of the possibility of such damages. PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE THREADS™ APPLICATION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE THREADS™ APPLICATION OR INFORMATION OBTAINED IN CONNECTION THEREWITH. IN NO EVENT WILL PROVIDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING,

INCURRED BY CUSTOMER FROM RECEIPT OR USE OF INFORMATION OBTAINED IN CONNECTION WITH THE THREADS™ APPLICATION OR THE UNAVAILABILITY THEREOF.

INVESTIGATOR PRO™

DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice print enrollment process. This inmate voice print enrollment process will be the responsibility of Customer.

COMPENSATION:

In exchange for receipt of Investigator Pro™, Customer will pay Provider a licensing fee equal to \$0.02 per all completed call minutes, which will be paid by way of commission deductions. Payment will commence upon installation. In any given month, in the event commissions earned are less than the licensing fee, Customer may be sent an invoice for the remaining amount. To help offset the cost recovery of Investigator Pro™ at Customer's Facilities, call rates to end users will increase by \$0.02 per minute (excluding interstate), if permitted by state and federal regulatory requirements.

ICER™

DESCRIPTION:

The ICER™ system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications from multiple sources to generate targeted investigative leads.

EMESSAGING

DESCRIPTION:

Securus' eMessaging Application ("eMessaging") allows for two-way electronic communication between friends and family and their incarcerated loved one. eMessaging works by allowing friends and family to purchase eMessaging "stamps," which they can use to fund the transmission of an electronic message to their incarcerated loved one. Each text message costs only a single stamp, while a text message with an attached picture costs only two stamps. If a friend or family members wishes, they can include an additional stamp that will allow their incarcerated loved one to send a single return message. Return messages are text only; no picture attachments are allowed. Inmates are not able to purchase their own stamps at this time. The facility is provided a web-based portal that enables the review of messaging with various options for review. The facility can approve and reject a message based on their policies and criteria. Friends and family must send and receive messages using either the Securus mobile app for android devices or access their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates on a ConnectUs-equipped unit or a Securus SecureView tablet.

COMPENSATION: Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

Number of Stamps in Book	Stamp Book Price (Plus \$3.00 transaction fee and all applicable taxes)
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Provider will pay Customer a commission of 20% on each redeemed stamp, based on the purchase price of the stamp, which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send an original message to an inmate or when a single return message from the inmate is prepaid for by the inmate's friends and

family. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

E-MESSAGING TERMS OF USE:

Customer's use of eMessaging is governed by the terms and conditions at <https://www.securustechnologies.com/emessaging-terms-and-conditions>, which are incorporated herein by reference.

**Schedule: SECURUS VIDEO VISITATION
CHEATHAM COUNTY (TN)
A000683**

This Securus Video Visitation Schedule is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, Inc. ("we" or "Provider" or "Securus") and Cheatham County Sheriff's Office ("you" or "Customer"). The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

In addition to the Applications otherwise being provided to Customer pursuant to the Agreement, Provider will deploy a Video Visitation System as specified in Attachment 1 at the Facility(s) during the Term of the Agreement.

TERMS:

Provider will charge Securus Video Visitation session charges that are in compliance with state and federal regulatory requirements plus applicable taxes/fees/surcharges, and Provider may impose time limitations on Video Visitation sessions at its discretion; provided, however, that Provider reserves the right, at its sole option, to (i) offer promotional pricing, (ii) offer monthly flat rate subscription services, which would allow for unlimited monthly remote visits (certain restrictions may apply), and (iii) to extend the duration of visitation sessions. If Customer wishes to offer free sessions for any reason other than as allowed pursuant to the Agreement, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer. As used herein, "remote" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a location not on Customer's premises. "On-site" Video Visitation sessions will mean sessions where the inmate's visitor is visiting from a terminal located on Customer's premises.

Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus' promotional literature in the Facility's visitation lobby; (b) unless otherwise prohibited by Customer's telephone service contract, add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call participants; and (c) issue a joint press release regarding the execution of this agreement by both parties. All Video Visitation sessions must be scheduled online by the visitor by accessing Provider's website at www.securustech.net.

If applicable, all recorded Video Visitation sessions will have a standard retention of 30 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 30 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 30 days. Further, it is Customer's sole responsibility to (i) establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide for appropriate accommodations to allow for non-recorded visits, as necessary.

PAYMENT OPTIONS:

The upfront and recurring operational costs for the deployment, management and support of the Video Visitation System are set forth in the Sales Order Form contained in Attachment 1 hereto (the "Total Costs"). Customer, at its option, may either elect to pay the Total Costs itself or have Provider pay the Total Costs by choosing one of the following options (place a check ("✓" or "X") next to option selected):

- Option 1: Customer elects to pay all of the Total Costs set forth in Attachment 1 hereto. By choosing this option, the four additional requirements listed under Option 2 will not apply.
- Option 2: Customer elects to have Provider advance the Total Costs set forth in Attachment 1. By choosing this option, starting on the first day of the month following deployment of the Video Visitation System and continuing through the Term of the Agreement, Customer agrees to contribute toward payment of the Total Cost by paying \$903 per month for licensing and maintenance of the Video Visitation System, which will be payable through a Commission deduction (the "SVV Commission Deduction"). If the SVV Commission

Deduction exceeds the Commission for the relevant month or, if for any reason, the Agreement terminates or expires during the relevant month, then Provider will invoice Customer for the balance, which will be due within 30 days after the date of the invoice. In the event this Agreement is terminated for any reason before the end of the then-current Term, Customer will refund the amount of the Total Cost set forth in the attached Sales Order Form that has not been recovered by Provider via the SVV Commission Deduction. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.

By choosing this option, Customer agrees to implement the following additional requirements (which are designed to (i) maximize the full utilization of the Video Visitation System at the Facility(s), (ii) assist Customer in maximizing the scheduling System Software, (iii) improve and automate manual visitation processes, (iv) increase officer safety, (v) maximize the options to the inmates and public to conduct visitation, and (vi) thus allow Provider to recover the total costs over time):

1. Customer agrees that Video Visitation must be available for paid remote sessions seven days a week for a minimum of 80 hours per Video Visitation terminal per week.
2. Customer will allow inmates to conduct remote visits without quantity limits other than for punishment for individual inmate misbehavior.
3. All on-site Video Visitation sessions will be required to be scheduled at least 24 hours in advance, where practicable.
4. Within 6 months following deployment of the Video Visitation System, Customer will endeavor to reach at least one remote paid Video Visitation session per inmate per month.

Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation services hereunder is based on Customer's estimated Average Daily Population and a minimum of one remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than one per inmate per month, Provider reserves the right, no sooner than 12 months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Customer is responsible for all Jail Management System (JMS) and Commissary integration fees as well as electrical installation, unless otherwise specified in Attachment 1.

WARRANTY: Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of 12 months from the date of installation of the Hardware Components. This warranty will be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider will provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

OWNERSHIP AND USE. The Video Visitation System and Software will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's Applications, the Video Visitation System, and Provider's other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

IN WITNESS WHEREOF, the parties have caused this Video Visitation Schedule to be executed as of the Schedule Effective Date by their duly authorized representatives.

2. **GRANT OF RIGHTS; OWNERSHIP OF PROPERTY; USE AND RESTRICTIONS**

2.1 **Grant of Rights.** Subject to the terms of the Agreement and this Schedule: (a) Provider hereby grants Customer a non-exclusive, non-transferable right during the Term of the Agreement to access and use the Service solely for Customer's internal business purposes as contemplated herein, subject to the Service scope and pricing specified herein and the applicable Sales Order Form; and (b) Customer hereby grants Provider a non-exclusive, non-transferable right to use the electronic data specifically pertaining to Customer and/or its users that is submitted into the Service (collectively, "Customer Data") as necessary for the limited purpose of performing the Service.

2.2 **Ownership.** Provider and its licensors and suppliers own and retain all right, title, and interest in and to the following (collectively, "Provider Property"): (a) the Service and all other software, hardware, technology, documentation, and information provided by Provider in connection with the Service; (b) all ideas, know-how, and techniques that may be developed, conceived, or invented by Provider during its performance under the Agreement; and (c) all worldwide patent, copyright, trade secret, trademark and other intellectual property rights in and to the property described in clauses (a) and (b) above. Except as otherwise expressly authorized herein or by Provider in writing, the non-exclusive use rights set forth in the Agreement are the entirety of Customer's rights in connection with the Provider Property. Customer owns and retains all right, title, and interest in and to the Customer Data and all intellectual property rights therein. Except as otherwise expressly authorized herein or by Customer in writing, the non-exclusive use rights set forth in the Agreement are the entirety of Provider's rights in connection with the Customer Data.

2.3 **Use and Restrictions.**

(a) Except as expressly permitted under the Agreement or this Schedule, Customer will not directly or indirectly do any of the following: (i) access, use, sell, distribute, sublicense, or commercially exploit any Provider Property or any rights under the Agreement, including without limitation any access or use of any Provider Property; (ii) knowingly introduce any infringing, obscene, libelous, or otherwise unlawful data or material into the Service; (iii) copy, modify, or prepare derivative works based on Provider Property; (iv) reverse engineer, decompile,

disassemble, or attempt to derive source code from any Provider Property; or (v) remove, obscure, or alter any intellectual property right or confidentiality notices or legends appearing in or on any aspect of any Provider Property.

- (b) At Provider's sole and reasonable discretion, certain of the selected Applications will be made available only during times which would not otherwise interfere with the use of Provider's revenue generating Applications and services.
- (c) Applications ordered by Customer may be disabled by Customer at any time during the Term of the Agreement upon written notice to Provider by an authorized representative of Customer; provided, however, Customer will remain responsible for paying the Annual Subscription and Hosting Fee according to the Agreement, this Schedule and Sales Order Form(s) set forth in Attachment 1, unless otherwise agreed by both parties pursuant to a written and signed amendment.
- (d) Provider may deny the publication of certain documents, videos or forms in connection with the Service, if in Provider's sole and reasonable discretion, such materials are in conflict with the provision of Provider's Service hereunder.
- (e) Customer will allow Provider to display videos, documents and digital messages to inmates through ConnectUs to promote Provider's new and existing services, products and features.
- (f) Provider is not responsible and hereby disclaims any liability for any and all content of the third party Applications and any documents, videos or forms published by Customer or from outside sources.

3. FEES AND PAYMENT TERMS

- 3.1 Customer elects to have Provider advance the Total Costs set forth in Attachment 1. By choosing this option, starting on the first day of the month following deployment of the Video Visitation System and continuing through the Term of the Agreement, Customer agrees to contribute toward payment of the Total Cost by paying \$903 per month for licensing and maintenance of the Video Visitation System, which will be payable through a Commission deduction (the "SVV Commission Deduction"). If the SVV Commission Deduction exceeds the Commission for the relevant month or, if for any reason, the Agreement terminates or expires during the relevant month, then Provider will invoice Customer for the balance, which will be due within 30 days after the date of the invoice. In the event this Agreement is terminated for any reason before the end of the then-current Term, Customer will refund the amount of the Total Cost set forth in the attached Sales Order Form that has not been recovered by Provider via the SVV Commission Deduction. Customer will pay such refund within 10 days after such termination, or, at Provider's election, Provider may deduct the refund from any Commission owed to Customer.
- 3.2 Provider will deploy its Video Visitation, Inmate Forms (Grievance), and Inmate Handbook (.PDF) ConnectUs Applications. The cost of these applications was considered and included in offering the Commission Percentage, Remote Visitation Payment, and other terms in this Agreement.
- 3.3 Customer will be responsible for all Jail Management System and Commissary integration fees, if applicable, as well as electrical wiring installation.

4. WARRANTIES AND LIMITATIONS

4.1 Service Warranties.

- (a) Provider warrants that the services it provides as contemplated in and by this Schedule will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this Schedule will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Schedule, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder ("Hardware Components"), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of twelve (12) months from the date of installation of the Hardware Components.
- (b) Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Provider make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

4.2 Limitation of Warranty.

IN NO EVENT AND UNDER NO CIRCUMSTANCES WILL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.
- (b) EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4.3 Professional Responsibility. As between Customer and Provider, Customer assumes full responsibility for the use of information provided through the Application(s) for patient care. Subject: FCC Customer Notice - Cheatham Co TN

Good afternoon Sheriff,

As we have discussed or sent updates on the FCC order/stay we are sending this email to alert you of the upcoming changes to your rates driven by the Federal Communications Commission. These changes are mandatory under the FCC's "Notice of Proposed Rulemaking".

If you have any questions or would like to discuss, please don't hesitate to call or email me at number by my signature below.

On June 20, 2016, Securus is required by FCC Order, to do the following:

1. **Convert your calling plans to a per minute plan versus the flat rate calling plans you may use today. The order prohibits all flat rate calling plans. As such any flat call rates need to be converted to a per minute billing plan.**
2. **The order prohibits call setup charges and as such any set up charge will need to be moved into the per minute billing structure.**
3. **The order places rate caps on credit card funding fees of \$3.00 for automated funding (web and IVR) and \$5.95 for operator assisted funding and those fees must be adjusted downward and moved into the call rates.**
4. **All other fees charged to end users, even if approved by the state public utilities commissions, are no longer allowed, and as such these fees must be moved into the call rates.**

The rate increase necessary to rebalance calling rates is reflected in **OPTION 1** on the attached document. On or around June 10th, end users and inmates will begin hearing call prompts alerting them to these changes. On June 20th, Securus will implement these adjustments to the calling rates. The adjustments to rates are our best attempt to move these expenses into the rates and we believe most parties will end up spending the same amount with this rebalancing of fees and rates. We regret having to communicate this change on such short notice, but the FCC Order has unfortunately left us little time for the in person discussions we would have preferred.

It is important to note that some State PUC regulations exist that have the potential to limit our ability to enact these rebalancing efforts. We have already taken steps to apply to affected State PUC's and request authorization to adjust applicable rate caps to satisfy the FCC Order. These steps help avoid financial impacts to your commission revenues under our agreements.

There are other options for you to consider which include taking the fee reductions from your payments earned as opposed to adding them into the new cost per minute structure. By selecting **OPTION 2** and returning to dfreeman@securustechologies.com, by June 15, 2016, we will not rebalance rates (as indicated above) and will make the appropriate deductions. This FCC Order is being challenged in court by Securus, and has the potential to be overturned. But, until then, compliance is mandatory, and Securus has to take the necessary steps to make sure that you and we are operating within the law. **Otherwise, no further action is required by you to get into compliance with the FCC Order.**

We are sorry for this disruption and appreciate your understanding and assistance.

Please contact me directly with any questions, concerns or comments.

Thank you for your business. We will make every effort to assistance you in implementing this order.

Authorization for Provisioning of the Investigator Pro Application

This Authorization for Provisioning of the Investigator Pro Application (hereinafter "Authorization") is provided by the party identified on the signature block below as Customer ("Customer") and is subject to and governed by the Master Services Agreement ("Agreement") between Customer and Securus Technologies, Inc. ("Provider"). Its terms are effective as of the date signed by Customer below (the "Effective Date").

1. **Term.** This Authorization is effective as of the Effective Date and shall be co-terminous to the parties' Agreement.
2. **Applications.** Provider will provide the Investigator Pro™ Application in accordance with the terms and conditions set forth herein. Investigator Pro is a voice biometric feature of SCP. Investigator Pro implements voice biometric technology developed for the US Department of Defense to investigate call recordings and determine what inmate voice(s) appear on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Since Investigator Pro uses voice biometrics to find calls on which an inmate has participated, it represents a clearer picture of an inmate's calls than is possible with searching CDRs based on an inmate PIN. PIN sharing and stealing hide inmate calls from CDR reports and is a clue that the content of the call may be of interest to investigators.

3. i) **PRICING:**

Customer, in exchange for receipt of the Investigator Pro Application, will pay Provider a \$0.02 per minute licensing fee, in accordance with the payment option selected below:

ii) **PAYMENT OPTIONS (CUSTOMER TO CHECK THE BOX AND INITIAL THE SELECTED OPTION – ONLY ONE APPLIES):**

- A) COMMISSION DEDUCTION:** Payment will be made by Customer to Provider by way of commission deductions (pricing deducted from commissions) per all completed call minutes. Payment pursuant to this option commences upon installation. In any given month, in the event commissions earned are less than the cost, customer may be sent an invoice for the remaining amount.
- B) COMMISSION REDUCTION:** Payment will be made by Customer to Provider by way of commission reduction as set forth in the following chart. Payment pursuant to this option commences upon the Effective Date of these Terms and Conditions. In any given month, in the event commissions earned are zero, customer may be sent an invoice for the remaining amount.

Avg Call Rate	\$1.50- 1.75	\$1.76- \$2.00	\$2.01- \$2.25	\$2.26- \$2.50	\$2.51- \$2.75	\$2.76- \$3.00	\$3.01- \$3.50	\$3.51- \$4.25	\$4.26- \$6.75

- C) MONTHLY INVOICE:** Payment will be made by Customer to Provider by way of invoicing.

iii) **RATE CHANGE OPTION (CUSTOMER TO CHECK THE BOX BELOW AS DESIRED TO INDICATE ELECTION OF OPTION):**

So here is how the pricing works for the JLG Investigator Pro.

The price for this service is \$.02 per call. This will be added onto the call costs. You will check "commission deduction" because the calls that are state to state will be paid for out of commission. In November you had 1317 state to state calls so about \$26 would have come out of your commission check.

Call my cell if you have questions.

- A) COMMISSION DEDUCTION:** Payment will be made by Customer to Provider by way of commission deductions (pricing deducted from commissions) per all completed call minutes. Payment pursuant to this option commences upon installation. In any given month, in the event commissions earned are less than the cost, customer may be sent an invoice for the remaining amount.
- B) COMMISSION REDUCTION:** Payment will be made by Customer to Provider by way of commission reduction as set forth in the following chart. Payment pursuant to this option commences upon the Effective Date of these Terms and Conditions. In any given month, in the event commissions earned are zero, customer may be sent an invoice for the remaining amount.

Avg Call Rate	\$1.50-1.75	\$1.76-2.00	\$2.01-2.25	\$2.26-2.50	\$2.51-2.75	\$2.76-3.00	\$3.01-3.50	\$3.51-4.25	\$4.26-6.75
Commission Reduction	14%	12%	11%	10%	9%	8%	7%	6%	4%

- C) MONTHLY INVOICE:** Payment will be made by Customer to Provider by way of invoicing.

iii) **RATE CHANGE OPTION (CUSTOMER TO CHECK THE BOX BELOW AS DESIRED TO INDICATE ELECTION OF OPTION):**

- RAISE MY RATES:** In order to help offset the cost recovery of Investigator Pro at Customer's facilities, rates to end users will increase by \$0.02 per minute, provided, however, that call rates shall not exceed any applicable rate caps.

The person signing these Terms and Conditions for Provisioning of the Investigator Pro Application represents that he or she has the authority to do so and to bind his or her organization accordingly:

So here is how the pricing works for the JLG Investigator Pro.

The price for this service is \$.02 per call. This will be added onto the call costs. You will check "commission deduction" because the calls that are state to state will be paid for out of commission. In November you had 1317 state to state calls so about \$26 would have come out of your commission check.

Master Services Agreement
Cheatham County Jail (TN)
A000883

This Master Services Agreement (this "Agreement") is by and between Cheatham County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the later of December 17, 2014, or the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will perform certain Inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.

2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our Inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) at all existing and future correctional facilities under the authority of Customer in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.

3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.

4. Term. The initial term of this Agreement (the "Initial Term") shall begin on the Effective Date and shall end on the date that is forty-eight (48) months thereafter. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.

5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NON-INFRINGEMENT.

6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. **Ownership and Use.** The System, the Applications, and related records, data, and information (excepting recorded communications, for which you retain ownership) shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. **Legally/Limited License Agreement.** For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. **Confidentiality and Non-Disclosure.** The System, Applications, and related call records and information (the "Confidential Information") shall at all times remain confidential to Provider to the extent permitted under applicable law. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection.

10. **Claims.** To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and according to Customer's facility's demographics.

11. **Insurance.** We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. **Default and Termination.** If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. **Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

14. **Uncontrollable Circumstance.** We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in

rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery - upon receipt; U.S. mail - five days after deposit; and courier - when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment shall have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

EXECUTED as of the Effective Date.

Cheatham County Jail (TN)**

This Schedule is between Securus Technologies, Inc. ("we" or "Provider"), and Cheatham County Sheriff's Office ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule shall be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

COMPENSATION:

Collect Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" shall mean all gross billed revenues relating to completed collect calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. We shall remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the Payment Date. Your payment address is as set forth in the chart below. You shall notify us in writing at least sixty (60) days before a Payment Date of any change in your payment address.

Signing Bonus. On the first day of the month following this Schedule Effective Date, we will pay you a one-time signing bonus of \$10,000.00. If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) fifteen percent (15%) per annum and (b) the maximum rate allowed by law. You shall pay any such refund within ten (10) days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. All signing bonus payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the signing bonus has been paid to you. Customer acknowledges and understands that the signing bonus is a one-time payment, not a recurring or annual payment.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance shall be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance shall be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of, or destruction, damage, or vandalism to, the said equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, then we shall have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided Openworkstation(s) (see below). For the services contemplated hereunder, we may provide, based upon the facilities requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "Openworkstation" is an open non-secured workstation which permits administrative user rights for facility personnel and allows the facilities an ability to add additional third-party software. Ownership of the Openworkstation is transferred to the facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an Openworkstation. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY OPENWORKSTATION(S)."

1. **Outage Report: Technical Support.** If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). You may contact Technical Support 24 hours a day, seven days a week (except in the event of planned or emergency outages) by telephone at 866-558-2323, by email at TechnicalSupport@securustech.net, or by facsimile at 800-368-3168. We will provide you commercially reasonable notice, when practical, before any Technical Support outage.

2. **Priority Classifications.** Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

"Priority 1"	30% or more of the functionality of the System is adversely affected by the System Event.
"Priority 2"	5% - 29% of the functionality of the System is adversely affected by the System Event.
"Priority 3"	5% or less of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

3. **Response Times.** After receipt of notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

4. **Response Process.** In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival), as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. **Performance of Service.** All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.

6. **Escalation Contacts.** Your account will be monitored by the applicable Territory Manager and Regional Service Manager. In addition, you may use the following escalation list if our response time exceeds 36 hours: first to the Technical Support Manager or Regional Service Manager, as applicable, then to the Director of Field Services, then to the Executive Director, Service.

7. **Notice of Resolution.** After receiving internal notification that a Priority 1 System Event has been resolved, a technician will contact you to confirm resolution. For a Priority 2 or 3 System Event, a member of our customer satisfaction team will confirm resolution.

8. **Monitoring.** We will monitor our back office and validation systems 24 hours a day, seven days a week.

9. **Required IGR.** You are responsible for providing a dedicated isolated grounded receptacle ("IGR") for use in connection with the primary System. Upon request we will provide you with the specifications for the IGR. If you are unable to or do not provide the IGR, then we will provide the IGR on a time and materials basis at the installer's then-current billing rates, provided that we are not responsible for any delay caused by your failure to provide the IGR.

10. **End-User Billing Services and Customer Care.** Our Securus Correctional Billing Services department will maintain dedicated customer service representatives to handle end-user issues such as call blocking or unblocking and settling up end-user payment accounts. The customer service representatives will be available 24 hours a day, 7 days a week by telephone at 800-844-6591, via chat by visiting our website www.securustech.net, by email at CustomerService@securustech.net, and by facsimile at 972-277-0714. INSTANT PAY™ PROGRAM

DESCRIPTION

The Instant Pay™ promotional program optimizes the call routing at Facilities by connecting as many calls as possible. If a call is attempted but there is no account or calling card open or in use to pay for the call, the call can be routed to the Instant Pay Program. The Instant Pay Program will offer the called party additional options to connect the call as well as provide information and promotional messaging on how to create a prepaid AdvanceConnect™ Account.

COMPENSATION

Pay Now™. Pay Now™ is an instant paid payment product available to facilities that have the Instant Pay promotional calling program installed that allows the called party to instantly pay for a single call using a debit or credit card in real-time as the call is being initiated. With Pay Now™, the called party may immediately pay using a credit or debit card for one single call or may elect to setup and / or fund a prepaid AdvanceConnect account. Provider will compensate Customer at a rate of one and 60/100 dollars (\$1.60) for each call accepted and paid for using Pay Now™. Pay Now™ is not subject to any other compensation.

Text2Connect™. Text2Connect™ is a promotional program designed to get inmates in touch with Friends and Family members quickly and to encourage them to set up a prepaid AdvanceConnect™ account. If (a) an inmate attempts a call to a mobile phone, (b) the facility allows calls to mobile phones, and (c) the call cannot be billed by Provider, then call control

will be assumed by our third-party provider. Our third-party provider will prompt the called party to double opt-in to accept and confirm the charges for a premium SMS text message and continue the call. Charges for the message are billed by the called party's mobile provider on their mobile phone bill. The called party receives a text message receipt for the call charges and is given instructions on how to open a prepaid AdvanceConnect™ account. Text2Connect™ is available through our third-party processor who maintains relationships with select mobile phone companies around the country and manages the connection.

Text2Connect™ promotional calls are not commissionable, and Provider will pay Customer a bonus payment of thirty cents (\$0.30) for each transaction fee billed and collected by the wireless carrier completed through the Text2Connect™ platform. Bonus payments for each applicable connection will be added to your existing monthly commission statement. Text2Connect™ is not subject to any other compensation.

VOICE BIOMETRICS™ ✓

INMATE DEBIT

DESCRIPTION:

A Debit account is a prepaid, Inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate Friends & Family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by Friends & Family members into an inmate's Debit account become property of the inmate. Provider establishes Inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call in order to complete the call and pay for the call using the inmate's Debit account. Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. Customer agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Provider shall invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt. Provider shall pay Customer the commission percentage that Provider earns through the completion of Debit calls placed from Customer's Facilities as specified in the chart below. Provider reserves the right to deduct call credits from usage. Provider shall remit the commission for a calendar month to Customer on or before the 30th day after the end of the calendar month in which the Debit calls were made (the "Payment Date"). All commission payments shall be final and binding upon Customer unless Provider receives written objection within sixty (60) days after the Payment Date.

This Master Services Agreement (this "Agreement") is by and between Cheatham County Sheriff's Office ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the later of December 17, 2014, or the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

- 1. Applications.** This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.
- 2. Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) at all existing and future correctional facilities under the authority of Customer in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
- 3. Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
- 4. Term.** The initial term of this Agreement (the "Initial Term") shall begin on the Effective Date and shall end on the date that is forty-eight (48) months thereafter. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
- 5. Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. **THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.**
- 6. Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or reinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting recorded communications, for which you retain ownership) shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") shall at all times remain confidential to Provider to the extent permitted under applicable law. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection.

10. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and according to Customer's facility's demographics.

11. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

14. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in

rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – five days after deposit; and courier – when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment shall have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

EXECUTED as of the Effective Date.

Schedule Cheatham County Jail (TN)

This Schedule is between Securus Technologies, Inc. ("we" or "Provider"), and Cheatham County Sheriff's Office ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule shall be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

COMPENSATION:

Collect Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" shall mean all gross billed revenues relating to completed collect calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. We shall remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the Payment Date. Your payment address is as set forth in the chart below. You shall notify us in writing at least sixty (60) days before a Payment Date of any change in your payment address.

Signing Bonus. On the first day of the month following this Schedule Effective Date, we will pay you a one-time signing bonus of \$10,000.00. If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) fifteen percent (15%) per annum and (b) the maximum rate allowed by law. You shall pay any such refund within ten (10) days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. All signing bonus payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the signing bonus has been paid to you. Customer acknowledges and understands that the signing bonus is a one-time payment, not a recurring or annual payment.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance shall be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance shall be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of, or destruction, damage, or vandalism to, the said equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, then we shall have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided Openworkstation(s) (see below). For the services contemplated hereunder, we may provide, based upon the facilities requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "Openworkstation" is an open non-secured workstation which permits administrative user rights for facility personnel and allows the facilities an ability to add additional third-party software. Ownership of the Openworkstation is transferred to the facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an Openworkstation. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY OPENWORKSTATION(S)."

1. Outage Report: Technical Support. If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). We will provide you commercially reasonable notice, when practical, before any Technical Support outage.

2. **Priority Classifications.** Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

"Priority 1"	30% or more of the functionality of the System is adversely affected by the System Event.
"Priority 2"	5% - 29% of the functionality of the System is adversely affected by the System Event.
"Priority 3"	5% or less of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

3. **Response Times.** After receipt of notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

4. **Response Process.** In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival), as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. **Performance of Service.** All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.

6. **Escalation Contacts.** Your account will be monitored by the applicable Territory Manager and Regional Service Manager. In addition, you may use the following escalation list if our response time exceeds 36 hours: first to the Technical Support Manager or Regional Service Manager, as applicable, then to the Director of Field Services, then to the Executive Director, Service.

7. **Notice of Resolution.** After receiving internal notification that a Priority 1 System Event has been resolved, a technician will contact you to confirm resolution. For a Priority 2 or 3 System Event, a member of our customer satisfaction team will confirm resolution.

8. **Monitoring.** We will monitor our back office and validation systems 24 hours a day, seven days a week.

9. **Required IGR.** You are responsible for providing a dedicated isolated grounded receptacle ("IGR") for use in connection with the primary System. Upon request we will provide you with the specifications for the IGR. If you are unable to or do not provide the IGR, then we will provide the IGR on a time and materials basis at the installer's then-current billing rates, provided that we are not responsible for any delay caused by your failure to provide the IGR.

10. **End-User Billing Services and Customer Care.** Our Securus Correctional Billing Services department will maintain dedicated customer service representatives to handle end-user issues such as call blocking or unblocking and setting up end-user payment accounts. The customer service representatives will be available 24 hours a day, 7 days a week by telephone at 800-844-6591, via chat by visiting our website www.securustech.net, by email at CustomerService@securustech.net, and by facsimile at 972-277-0714. INSTANT PAY™ PROGRAM

DESCRIPTION

The Instant Pay™ promotional program optimizes the call routing at Facilities by connecting as many calls as possible. If a call is attempted but there is no account or calling card open or in use to pay for the call, the call can be routed to the Instant Pay Program. The Instant Pay Program will offer the called party additional options to connect the call as well as provide information and promotional messaging on how to create a prepaid AdvanceConnect™ Account.

COMPENSATION

Pay Now™. Pay Now™ is an instant paid payment product available to facilities that have the Instant Pay promotional calling program installed that allows the called party to instantly pay for a single call using a debit or credit card in real-time as the call is being initiated. With Pay Now™, the called party may immediately pay using a credit or debit card for one single call or may elect to setup and / or fund a prepaid AdvanceConnect account. Provider will compensate Customer at a rate of one and 60/100 dollars (\$1.60) for each call accepted and paid for using Pay Now™. Pay Now™ is not subject to any other compensation.

Text2Connect™. Text2Connect™ is a promotional program designed to get inmates in touch with Friends and Family members quickly and to encourage them to set up a prepaid AdvanceConnect™ account. If (a) an inmate attempts a call to a mobile phone, (b) the facility allows calls to mobile phones, and (c) the call cannot be billed by Provider, then call control

will be assumed by our third-party provider. Our third-party provider will prompt the called party to double opt-in to accept and confirm the charges for a premium SMS text message and continue the call. Charges for the message are billed by the called party's mobile provider on their mobile phone bill. The called party receives a text message receipt for the call charges and is given instructions on how to open a prepaid AdvanceConnect™ account. Text2Connect™ is available through our third-party processor who maintains relationships with select mobile phone companies around the country and manages the connection.

Text2Connect™ promotional calls are not commissionable, and Provider will pay Customer a bonus payment of thirty cents (\$0.30) for each transaction fee billed and collected by the wireless carrier completed through the Text2Connect™ platform. Bonus payments for each applicable connection will be added to your existing monthly commission statement. Text2Connect™ is not subject to any other compensation.

VOICE BIOMETRICS™

Voice Biometrics™ provides validation of inmate personal identification numbers (PINs) through voice verification technology for purposes of improved security and reduced potential of fraud and consumer harassment by inmates.

INMATE DEBIT

DESCRIPTION:

A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate Friends & Family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by Friends & Family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call in order to complete the call and pay for the call using the inmate's Debit account. Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. Customer agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Provider shall invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt. Provider shall pay Customer the commission percentage that Provider earns through the completion of Debit calls placed from Customer's Facilities as specified in the chart below. Provider reserves the right to deduct call credits from usage. Provider shall remit the commission for a calendar month to Customer on or before the 30th day after the end of the calendar month in which the Debit calls were made (the "Payment Date"). All commission payments shall be final and binding upon Customer unless Provider receives written objection within sixty (60) days after the Payment Date.

CHEATHAM COUNTY JAIL (TN)
ACCOUNT NUMBER A000683
OPTION A

This Master Services Agreement (this "Agreement") is by and between the Cheatham County Jail ("Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.

2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related communications, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) at the Facilities in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.

3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.

4. Term. The initial term of this Agreement (the "Initial Term") shall begin on the Effective Date and shall end on the date that is forty-eight (48) months thereafter. Unless one party delivers to the other written notice of non-renewal at least ninety (90) days before the end of the then current term, this Agreement shall automatically renew for successive periods of twelve (12) months each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.

5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the

Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") shall at all times remain confidential to Provider. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

10. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. The Provider agrees to install and implement the Inmate Telephone System according to the law governing the Provider, the instruction it receives from the Customer as to the Customer's requirements under the law, and according to the Customer's facility's demographics. The Customer agrees to indemnify the Provider against any and all Claims arising out of or related to instruction Provider receives from the Customer.

11. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS

OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

14. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – five days after deposit; and courier – when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

("we" or "Provider"), and the Cheatham County Jail ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. A. Applications. We will provide the following Applications:

CALL MANAGEMENT SYSTEM

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to (a) monitor and record inmate calls, (b) automatically limit the duration of each call to a certain period designated by us, (c) maintain call detail records in accordance with our standard practices, (d) automatically shut the System on or off, and (e) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

COMPENSATION:

Collect Calls. We will pay you commission (the "Commission") based on Gross Revenues we earn through the completion of collect calls placed from the Facilities as specified in the chart below. Gross Revenues shall mean all gross billed revenues relating to completed collect calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. We shall remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the Payment Date. Your payment address is as set forth in the signature block below. You shall notify us in writing at least sixty (60) days before a Payment Date of any change in your payment address.

Signing Bonus. On the first day of the month following the installation of the System we will pay you a signing bonus of \$10,000.00. If the Agreement is terminated for any reason before the end of the Initial Term, you will refund to us an amount equal to the signing bonus times a fraction, the numerator of which is the number of months between the date of termination and the end of the Initial Term, and the denominator of which is the number of months in the Initial Term plus interest on the prorated amount in the amount of the lower of (a) fifteen percent (15%) per annum and (b) the maximum rate allowed by law. You shall pay any such refund within ten (10) days after any such termination, or at our election, we may deduct the refund from any Commission we owe you. All signing bonus payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the signing bonus has been paid to you.

Bonus Prepaid Calling Cards. On the first day of the month following the installation of the System we will provide you with prepaid calling cards with a total face value of five hundred and xx/10 0 dollars (\$500.00). Each prepaid calling card will be valid for no more than six (6) months from the date it is first used. Prepaid calling cards are not returnable or refundable; all sales are final.

All such maintenance shall be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. In the event of a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.
