In addition to any breaches specified in other sections of this Contract, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach. Any of the following events shall constitute an event of default (“Event of Default”) hereunder: (i) Contractor’s failure to pay any Fee payment when due; (ii) Contractor’s failure to perform or observe any covenant, condition, or obligation to be performed or observed hereunder, or breach in any document furnished to State in connection herewith, and such failure or breach continues unremedied for a period of forty-five (45) days after written notice thereof from State; (iii) the State’s determination that any statement, representation, or warranty made by Contractor in this contract or in any other document by Contractor in connection therewith is false, misleading or erroneous in any material respect; or (iii) the institution of proceedings under any bankruptcy, insolvency, reorganization or similar legislation, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, and such proceedings or appointments are not vacated or fully stayed within sixty (60) days after the institution or occurrence thereof; (iv) default in the payment or performance of any other liability, indebtedness, contract, or other obligation of Contractor, Contractor shall, within thirty (30) days of receipt of notice, cure such performance; or (v) the failure of Contractor or Contractor’s employees to comply with any of the obligations of Section 1 above; (vi) loss of total service affecting greater than or equal to 20% or more of one location or of any one area within a facility for more than 5 business days; (vii) any system functionality or programming issue which causes errors affecting inmate account balances or call rating for more than 5 business days.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within forty-five (45) days of receipt of written notice, or if a cure cannot be completed within 45 days, the cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Contract in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

16. REMEDIES

If Contractor is in breach under any provision of this Contract, the State shall have all of the remedies listed in this §16 in addition to all other remedies set forth in other sections of this Contract following the notice and cure period set forth in §15(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively. Substantial failure to satisfy the duties and obligations shall be defined to mean significant insufficient, incorrect, improper performance, activities, or inaction by Contractor. These remedial actions are as follows:

A. Suspend Contractor’s performance pending necessary corrective action as specified below by the State without Contractor’s entitlement to adjustment in price/cost or schedule; and/or

B. Withhold any payment due to Contractor until the necessary services or corrections in performance are satisfactorily completed and/or acceptable goods are provided; and/or

C. Request the removal from work on this contract of employees or agents of Contractor whom the State justifies as being incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued employment on this contract the State deems to be contrary to the public interest or not in the best interest of the State; and/or

D. Terminate this contract for default.
17. TERMINATION

A. Termination without Cause
Either party shall have the right to terminate this Contract by giving the other party ninety (90) days notice pursuant to Section 19. If notice is so given, this Contract shall terminate on the expiration of the ninety days, and the liability of the parties hereunder for the further performance of the terms of this Contract shall thereupon cease, but the parties shall not be relieved of the duty to perform their obligations up to the date of termination. Notwithstanding such termination, all terms and conditions of this Contract which may require continued obligation or compliance beyond the termination date of the Contract shall survive such termination.

B. Termination for Convenience
The State may terminate this Contract should circumstances occur which remove the governmental power to fulfill the State's obligation under this Contract. The State shall give not less than ninety (90) days prior written notice of the termination to the Contractor and specify the date upon which termination becomes effective. Contractor shall remain liable to the State for all Fees accruing up to the date of termination.

C. Costs and Expenses
If the State terminates this Agreement for any reason other than an uncured breach by Contractor, the State will compensate Contractor for its costs in implementing any additional services described in Exhibits B and C which the State has sought to add in accordance with Section 6.B. above. Contractors costs may be stated in the Option Letter or in other documentation exchanged by the parties under this Contract.

18. TRANSITION OF SERVICES
Upon expiration or earlier termination of this contract or any Services provided hereunder, Contractor shall cooperate fully with the State or such replacement provider and promptly take all steps required to assist in effecting a complete transition, including negotiating in good faith with the replacement provider for the sale of the Contractor’s telephone handsets and non-proprietary equipment contained within the CDOC’s facilities. However, the Contractor shall not be obligated to sell any ITS related equipment which is the subject of an IP infringement claim or which contains Contractor proprietary information or software. All services related to such transition shall be performed at no additional cost to the State.

19. NOTICES and REPRESENTATIVES
Each individual identified below is the principal representative of the designating Party. All notices required to be given hereunder shall be hand delivered with receipt required or sent by certified or registered mail to such Party’s principal representative at the address set forth below. In addition to, but not in lieu of a hard-copy notice, notice also may be sent by e-mail to the e-mail addresses, if any, set forth below. Either Party may from time to time designate by written notice substitute addresses or persons to whom such notices shall be sent. Unless otherwise provided herein, all notices shall be effective upon receipt.

20. DISPUTES
Except as herein specifically provided otherwise, disputes concerning the performance of this contract which cannot be resolved by the designated contract representatives shall be referred in writing to a senior departmental management staff designated by the State and a senior manager designated by Contractor. Failing resolution at that level, disputes are governed by the administrative process found in CRS §24-109-101 et seq and as subsequently amended.

21. ASSIGNMENT
Contractor agrees not to assign rights or delegate duties under this contract or subcontract any part of the performance required under this contract without the express written consent of the State, which shall not be unreasonably withheld. Such consent may include, at the State’s sole discretion: 1) the execution by the State, Contractor and the assignee of a Novation Agreement in a form prescribed by the State, which Novation Agreement will become effective upon State approval or 2) verification by the State of the assignment. Except as herein otherwise provided, this contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns. This provision shall not be construed to prohibit assignments of the right to payment to the extent permitted by CRS §4-9-318, provided that written notice of assignment of payment adequate to identify the rights assigned is received by the controller for the agency, department, or institution executing this contract. Such assignment shall not be deemed valid until receipt by such controller – as distinguished from the State Controller – at the address listed in paragraph 15 above. Contractor assumes the risk that such written notice of assignment is received by the controller for the agency, department, or institution involved.

22. FORCE MAJEURE
Neither Contractor nor the State shall be liable to the other for any delay in, or failure of performance of, any covenant or promise contained in this contract, nor shall any delay of failure constitute default or give rise to any liability for damages if, and only to the extent that, such delay or failure is caused by fire, explosion, action of the elements, strike, interruption of transportation, government interference, rationing, court action, illegality, or any other cause which is beyond the control of the party affected and which, by the exercise of reasonable diligence, could not have been prevented by the party affected (“Force Majeure Event”). The existence of such causes of delay or failure shall extend the period for performance to such extent as may be necessary to enable the complete performance in the exercise of reasonable diligence after the causes of delay or failure have been removed. Nothing in this paragraph shall prevent the State from covering its requirements from another Contractor during the period of delay. If a Force Majeure Event continues for more than thirty (30) days, the State may terminate this contract in accordance with the provision of Section 12 hereof, without additional liability. Force majeure shall not relieve the Contractor’s obligation to pay Fees to the CDOC as required in section 4 herein, but may be grounds to delay payment of such Fees.

23. GOVERNMENTAL IMMUNITY
Liability for claims for injuries to persons or property arising from the negligence of the State of Colorado, its departments, institutions, agencies, boards, officials, and employees is controlled and limited by the provisions of the Governmental Immunity Act §24-10-101, et seq., and the risk management statutes, CRS §24-30-1501, et seq., as amended.

24. LIMITATION OF LIABILITY
EXCEPT AS OTHERWISE EXPRESSLY STATED IN THE AGREEMENT, THE PRODUCTS AND SERVICES SUPPLIED UNDER THIS AGREEMENT ARE PROVIDED “AS IS” WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, COMPANY AND ITS LICENSORS AND SUPPLIERS, AND THEIR RESPECTIVE AFFILIATES DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. COMPANY DOES NOT WARRANT THAT SERVICES SHALL BE UNINTERRUPTED OR THAT ALL ERRORS MAY BE CORRECTED.

25. RISK OF LOSS
The Company and its insurers, if any, shall relieve Premises Provider of all risks of loss or damage to the Equipment during the periods of transportation, installation and operation of the Equipment. However,
Premises Provider shall be responsible for loss or damage to Equipment in its possession caused by fault or negligence of Premises Provider or its employees.

26. SOLICITATION
The Premises Provider acknowledges that no officer or employee of the Company has been employed, induced, or directed by Premises Provider to solicit or secure this Agreement with the Company upon agreement, offer, understanding, or implication involving any form of remuneration whatsoever. Premises Provider agrees, in the event of an allegation of substance (the determination of which shall be solely made by the Company) that there has been a violation hereof, Premises Provider shall cooperate in every reasonable manner with the Company in establishing whether the allegation is true. Notwithstanding any provisions of this Agreement to the contrary, if a violation of this provision is found to have occurred and is deemed material by the Company, the Company may terminate this Agreement.

27. GENERAL PROVISIONS
A. Binding Effect
Except as otherwise provided in §20(A), all provisions herein contained, including the benefits and burdens, shall extend to and be binding upon the Parties’ respective heirs, legal representatives, successors, and assigns.

B. Captions
The captions and headings in this Contract are for convenience of reference only, and shall not be used to interpret, define, or limit its provisions.

C. Counterparts
This Contract may be executed in multiple identical original counterparts, all of which shall constitute one agreement.

D. Entire Understanding
This Contract represents the complete integration of all understandings between the Parties and all prior representations and understandings, oral or written, are merged herein. Prior or contemporaneous additions, deletions, or other changes hereto shall not have any force or effect whatsoever, unless embodied herein.

E. Indemnification
Contractor shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any negligent act or omission by Contractor, or its employees, agents, Subcontractors, or assignees pursuant to the terms of this Contract; however, the provisions hereof shall not be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions, of the Colorado Governmental Immunity Act, CRS §24-10-101 et seq., or the Federal Tort Claims Act, 28 U.S.C. 2671 et seq., as applicable, as now or hereafter amended.

F. Jurisdiction and Venue
All suits or actions related to this Contract shall be filed and proceedings held in the State of Colorado and exclusive venue shall be in the City and County of Denver.

G. Modification
i. By the Parties
Except as specifically provided in this Contract, modifications of this Contract shall not be effective unless agreed to in writing by the Parties in an amendment to this Contract, properly executed and approved in accordance with applicable Colorado State law.

ii. By Operation of Law
This Contract is subject to such modifications as may be required by changes in Federal or Colorado State law, or their implementing regulations. Any such required modification automatically shall be incorporated into and be part of this Contract on the effective date of such change, as if fully set forth herein.

H. Order of Precedence
The provisions of this Contract shall govern the relationship of the Parties. In the event of conflicts or inconsistencies between this Contract and its exhibits and attachments, including, but not limited to, those
provided by Contractor, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority:

i. Colorado Special Provisions,

ii. The provisions of the main body of this Contract,

iii. Exhibit A,

iv. Exhibit B, Exhibit C, and Exhibit D controlling within the service each provides

v. Exhibit E.

I. Severability

Provided this Contract can be executed and performance of the obligations of the Parties accomplished within its intent, the provisions hereof are severable and any provision that is declared invalid or becomes inoperable for any reason shall not affect the validity of any other provision hereof, provided that the Parties can continue to perform their obligations under this Contract in accordance with its intent.

J. Survival of Certain Contract Terms

Notwithstanding anything herein to the contrary, provisions of this Contract requiring continued performance, compliance, or effect after termination hereof, shall survive such termination and shall be enforceable by the State if Contractor fails to perform or comply as required.

K. Taxes

The State is exempt from all federal excise taxes under IRC Chapter 32 (No. 84-730123K) and from all State and local government sales and use taxes under CRS §§39-26-101 and 201 et seq. Such exemptions apply when materials are purchased or services are rendered to benefit the State; provided however, that certain political subdivisions (e.g., City of Denver) may require payment of sales or use taxes even though the product or service is provided to the State. Contractor shall be solely liable for paying such taxes as the State is prohibited from paying or reimbursing Contractor for such taxes.

L. Third Party Beneficiaries

Enforcement of this Contract and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits which third parties receive as a result of this Contract are incidental to the Contract, and do not create any rights for such third parties.

M. Waiver

Waiver of any breach under a term, provision, or requirement of this Contract, or any right or remedy hereunder, whether explicitly or by lack of enforcement, shall not be construed or deemed as a waiver of any subsequent breach of such term, provision or requirement, or of any other term, provision, or requirement.

N. Cooperation

In the event that the State has entered into or enters into agreements with other contractors or government institutions for additional work related to the Services provided hereunder, Contractor agrees to cooperate fully with such other parties. Contractor shall not commit any act that will interfere with the work performed by any third party as set forth herein.

O. Time is of the Essence

Time is of the essence with regard to performance of any service or the delivery of any deliverable under this contract, unless the parties agree otherwise in writing.

P. Compliance with Law

i. Contractor shall adhere strictly to and comply with all applicable Federal, State, and Local laws, statutes, regulations, and executive orders, as they currently exist and may hereafter be amended, which are incorporated herein by this reference as terms and conditions of this contract. Contractor also shall, and shall require its employees to, comply with all applicable State policies and standards in effect during the performance of this contract, including but not limited to policies and standards relating to personnel conduct, security, safety, confidentiality and ethics. Contractor shall obtain and maintain, and shall cause its subcontractors to obtain and maintain all approvals, permissions, permits, licenses, and other forms of documentation required in order to comply with all applicable foreign or domestic laws, rules or regulations. Certain equipment, software and technical data which may be provided hereunder may be subject to export and re-export controls under the U.S. Export Administration Regulations and/or similar regulations of the U.S. or any
other country. Contractor shall be responsible for complying with all export and re-export laws and regulations including without imitation, (i) local license or permit requirements, (ii) export, import and customs laws and regulations (such as the export and re-export controls under US Export Administration Regulations and/or similar regulations of the US or any other country) which may apply to certain equipment, software and technical data provided hereunder, and (iii) all applicable foreign corrupt practices acts.

ii. This Contract is made under and governed by the law of the State of Colorado, which shall be applied to the interpretation, execution and enforcement of this Contract. Any legal action commenced to enforce any right or obligation of this Contract shall only be commenced in Federal or State courts located in Denver County in the State of Colorado. The State recognizes that Contractor, in conducting its business in the manner set forth herein, is also subject to the Communications Act of 1934, as amended, and as interpreted and applied by the Federal Communications Commission (collectively, the Act). In the event any rates or charges set forth in or contemplated by Section 4, above, require a tariff or other regulatory filing, such rates or charges shall not be effective until the FCC or State PUC, as applicable, grants any necessary approval.

Q. Publicity
Contractor shall not release without the State’s prior written approval any publicity regarding the program or Services provided herein, including but not limited to, notices, information, pamphlets, press releases, research, reports, signs and similar public notices prepared by or for Contractor, identifying the State of Colorado, the State agency receiving goods or services under this contract; however, Contractor may reference this contract in proposals for other contracts without the State’s approval.

R. Non-exclusivity
This contract is entered into solely for the convenience of the State of Colorado, and except as specifically stated, this contract in no way precludes the State or any of its user agencies from obtaining like services from other suppliers.

S. CORA Disclosure
To the extent not prohibited by federal law, this Contract and the performance measures and standards under CRS §24-103.5-101, if any, are subject to public release through the Colorado Open Records Act, CRS §24-72-101, et seq.

28. EQUIPMENT OWNERSHIP AND CONFIDENTIALITY OF RECORDS
A. The CDOC agrees and acknowledges that all telephone instruments, system equipment, recording equipment, software and fixtures, including printers, modems, computers (as inventoried to Contractor) and supplies installed or furnished by Contractor in order to perform the Services, shall remain the sole and exclusive property of the Contractor, third party manufacturers, or the contractor's subcontractor(s) or Licensor(s), as applicable. The Contractor agrees to provide and maintain computer hard drive space in such size and quantity, as is necessary to hold ITS call recordings including completed calls for a minimum of term of the contract and incomplete calls for sixty (60) days. Such recordings shall be accessible on site at the server or on hard disk. The Contractor acknowledges that the content of such recordings, and the recording media on which the recordings are located, shall be the property of CDOC and the tapes or other recording media will be turned over to CDOC upon the expiration or termination of the Contract, with no claim from Contractor. Any intellectual property contained on such media which belongs to the Contractor shall remain the property of the Contractor even though the Contractor will allow possession of the intellectual (proprietary) property to remain with the CDOC and the CDOC shall not disclose or attempt to provide a license or otherwise transmit this property to any other third party. Call Detail Records (CDR) will be stored and accessible to CDOC for a minimum of term of the contract.

B. In the event the Contractor shall obtain access to any records or files of the State in connection with this Contract, or in connection with the performance of its obligations under this Contract, which records, files or other information are designated as confidential by the State, by markings, written notice to the Contractor, or other appropriate means, then the Contractor shall keep such records and information confidential and shall comply with all laws and regulations concerning the confidentiality of such records. The Contractor shall notify its employees that they are subject to the confidentiality requirements as set forth above, and shall
provide each employee with a written explanation of the confidentiality requirements before the employee is permitted access to confidential data.

C. Nothing herein is intended or shall operate as a waiver of any applicable law governing disclosure of records, including the Colorado Open Records Act, CRS §24-72-101 et seq. The State agrees to provide the Contractor with prompt written notice of requests for disclosure under such laws of any Contractor information within the scope of this clause.

29. COLORADO SPECIAL PROVISIONS

These Special Provisions apply to all Contracts except where noted in italics.

A. CONTROLLER'S APPROVAL. CRS §24-30-202 (1).

This Contract shall not be valid until it has been approved by the Colorado State Controller or designee.

B. FUND AVAILABILITY. CRS §24-30-202(5.5).

Financial obligations of the State payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available.

C. GOVERNMENTAL IMMUNITY.

No term or condition of this Contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions, of the Colorado Governmental Immunity Act, CRS §24-10-101 et seq., or the Federal Tort Claims Act, 28 U.S.C. §§1346(b) and 2671 et seq., as applicable now or hereafter amended.

D. INDEPENDENT CONTRACTOR

Contractor shall perform its duties hereunder as an independent contractor and not as an employee. Neither Contractor nor any agent or employee of Contractor shall be deemed to be an agent or employee of the State. Contractor and its employees and agents are not entitled to unemployment insurance or workers compensation benefits through the State and the State shall not pay for or otherwise provide such coverage for Contractor or any of its agents or employees. Unemployment insurance benefits will be available to Contractor and its employees and agents only if such coverage is made available by Contractor or a third party. Contractor shall pay when due all applicable employment taxes and income taxes and local head taxes incurred pursuant to this Contract. Contractor shall not have authorization, express or implied, to bind the State to any agreement, liability or understanding, except as expressly set forth herein. Contractor shall (a) provide and keep in force workers' compensation and unemployment compensation insurance in the amounts required by law, (b) provide proof thereof when requested by the State, and (c) be solely responsible for its acts and those of its employees and agents.

E. COMPLIANCE WITH LAW.

Contractor shall strictly comply with all applicable federal and State laws, rules, and regulations in effect or hereafter established, including, without limitation, laws applicable to discrimination and unfair employment practices.

F. CHOICE OF LAW.

Colorado law, and rules and regulations issued pursuant thereto, shall be applied in the interpretation, execution, and enforcement of this Contract. Any provision included or incorporated herein by reference which conflicts with said laws, rules, and regulations shall be null and void. Any provision incorporated herein by reference which purports to negate this or any other Special Provision in whole or in part shall not be valid or enforceable or available in any action at law, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by the operation of this provision shall not invalidate the remainder of this Contract, to the extent capable of execution.

G. BINDING ARBITRATION PROHIBITED.

The State of Colorado does not agree to binding arbitration by any extra-judicial body or person. Any provision to the contrary in this Contract or incorporated herein by reference shall be null and void.

H. SOFTWARE PIRACY PROHIBITION. Governor's Executive Order D 002 00.

State or other public funds payable under this Contract shall not be used for the acquisition, operation, or maintenance of computer software in violation of federal copyright laws or applicable licensing

Contractor hereby certifies and warrants that, during the term of this Contract and any extensions, Contractor has and shall maintain in place appropriate systems and controls to prevent such improper use of public funds. If the State determines that Contractor is in violation of this provision, the State may exercise any remedy available at law or in equity or under this Contract, including, without limitation, immediate termination of this Contract and any remedy consistent with federal copyright laws or applicable licensing restrictions.

The signatories aver that to their knowledge, no employee of the State has any personal or beneficial interest whatsoever in the service or property described in this Contract. Contractor has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of Contractor’s services and Contractor shall not employ any person having such known interests.

[Not applicable to agreements relating to the offer, issuance, or sale of securities, investment advisory services or fund management services, sponsored projects, intergovernmental agreements, or information technology services or products and services] Contractor certifies, warrants, and agrees that it does not knowingly employ or contract with an illegal alien who will perform work under this Contract and will confirm the employment eligibility of all employees who are newly hired for employment in the United States to perform work under this Contract, through participation in the E-Verify Program or the State program established pursuant to CRS §8-17.5-102(5)(c). Contractor shall not knowingly employ or contract with an illegal alien to perform work under this Contract or enter into a contract with a Subcontractor that fails to certify to Contractor that the Subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Contract. Contractor (a) shall not use E-Verify Program or State program procedures to undertake pre-employment screening of job applicants while this Contract is being performed, (b) shall notify the Subcontractor and the contracting State agency within three days if Contractor has actual knowledge that a Subcontractor is employing or contracting with an illegal alien for work under this Contract, (c) shall terminate the subcontract if a Subcontractor does not stop employing or contracting with the illegal alien within three days of receiving the notice, and (d) shall comply with reasonable requests made in the course of an investigation, undertaken pursuant to CRS §8-17.5-102(5), by the Colorado Department of Labor and Employment. Upon termination of Mobility Service in any Location(s), Premises Provider shall collect and deliver to Company all Tablets assigned to the Location(s) and provide Company a reasonable opportunity to collect all associated equipment and hardware (except cabling).

a. Equipment and Hardware.

   i. Tablets. Company shall supply up to **Eighteen Thousand (18,000) Inspire™ mobile tablets (individually “Tablet” and collectively “Tablets”)** for the duration of the Agreement, subject to the following limitations.

      1. Each inmate assigned a Tablet must agree to accompanying terms and conditions in order to be granted use of the Tablet.

         a. Company shall have no obligation during any twelve (12) month period to replace or repair in any housing unit within a Location more than five (5) Tablets or a number of tablets equal to five (5%) percent of the Tablets deployed at that housing unit, whichever is greater;
b. Company may cease providing the Mobility Service at any housing unit within a Location, and remove the Tablets deployed to that Location, if Company has repaired and/or replaced in any twelve (12) month period ten (10) Tablets or a number of Tablets equal to ten (10) percent of the Tablets deployed at that housing unit, whichever is greater.

5. Company may replace, upgrade, or substitute any or all of the Tablets at any time.

The calls shall include the features and functionality associated with the inmate telephone platform, including system settings, investigative capabilities, and security features. Inmates shall use headphones, which are equipped with a microphone, to complete calls.

ii. Content. Company shall make available for purchase certain content that may be loaded on or accessed through the Tablets, including music, games, email, and such other content as may be agreed upon in writing by the Parties. The content shall be provided on subscription bases that terminate upon Company no longer providing Premises Provider with the Mobility Service, the release or transfer of the inmate from the Locations, or the violation by the inmate of the terms of use for the Tablet, including nonpayment for a subscription. Applications shall be supplied on a rolling basis as soon as reasonably practicable following deployment of the Mobility Service. Company reserves the right to alter or discontinue any content. Company shall work in good faith to supply educational content through the Tablets that is generally suitable for the inmate population based on industry standards and Premises Provider requirements, except, however, Company shall not be required, and Premises Provider shall assume, any cost of delivering such content to inmates that exceeds in any year a retail value of $500,000.

Once purchased, Link Units may only be returned to an inmate’s trust account or otherwise redeemed by the inmate (as applicable) upon termination of the Mobility Service at all Locations or upon an inmate’s release. All Link Units purchases by inmate friends or family are final. Inmates may fund the Debit Link account by transferring monies from their trust account. Company does not charge fees associated with transfers from the inmate trust account. Inmate friends and Family may fund an inmate’s debit link account by deposits made through the Company web site or IVR.
