2008	14,650	4,666	31.8%	5,191	32.9%	8,585	54.4%
TOTAL	509,917	183,059		192,142		277,526	

*Example of violent felonies include murder, manslaughter, rape, robbery, assault, and 1st and 2nd degree burglary.
 **Examples of non-violent felonies include the possession or sale of drugs, forgery, larceny, and 3rd degree burglary.

NOTE: The combination of violent and non-violent commitments doesn't equal the total because a number of offenders do not fall neatly into either category.
