Freedom of Information/Privacy Act Request No. 2018USMS32738

Subject: Average Daily Population in FY 2017

Dear Ms. Sawyer:

The United States Marshals Service (USMS) is responding to your request pursuant to state open records law D.C. Code Secs. 2-531 to 2-540 for details of the average daily populations of all individuals remanded to the custody of the Attorney General or the USMS in FY 17, including the most serious offense or offense category, and case status (sentenced, unsentenced). The request as stated is not a federal Freedom of Information/Privacy Act (FOIA/PA) request, however, a response is provided below.

Pursuant to your request, the USMS conducted a search in the Prisoner Operations Division and located two pages which are responsive to your request. After carefully reviewing the records responsive to your request, we determined that two pages are appropriate for release in full. Two pages are released with this letter.

Sincerely,
