COMMONWEALTH TERMS AND CONDITIONS

This Commonwealth Terms and Conditions form is jointly issued by the Executive Office for Administration and Finance (ANF), the Office of the Comptroller (CTR) and the Operational Services Division (OSD) for use by all Commonwealth of Massachusetts ("State") Departments and Contractors. Any changes or electronic additions by either the Department or the Contractor to the official version of this form, as jointly published by ANF, CTR and OSD, shall be void. Upon execution of the Standard Contract Form these Commonwealth Terms and Conditions will be incorporated by reference. Performance shall include services rendered, obligations due, costs incurred, commodities and deliverables provided and accepted by the Department, programs provided or other commitments authorized under a Contract. A deliverable shall include any tangible product to be delivered as an element of performance under a Contract. The Commonwealth is entitled to ownership and possession of all deliverables purchased or developed with State funds. Contract shall mean the Standard Contract Form issued jointly by ANF, CTR and OSD.

1. Contract Effective Start Date. Notwithstanding verbal or other representations by the parties, the effective start date of performance under a Contract shall be the later of the date the Contract was executed by an authorized signature of the Contractor, the date the Contractor executed an authorized signature of the Department, the date specified in the Contract, or the date of any approvals required by law or regulation.

2. Payments And Compensations. The Contractor shall only be compensated for performance delivered and accepted by the Department in accordance with the specific terms and conditions of a Contract. All Contract payments are subject to appropriation pursuant to M.G.L. c. 29, § 26, or the availability of sufficient non-appropriated funds for the purposes of a Contract, and shall be subject to intercept pursuant to M.G.L. c. 7A, § 3 and 815 CMR 9.00. Overpayments shall be reimbursed by the Contractor or may be offset by the Department from future payments in accordance with state finance law. Acceptance by the Contractor of any payment or partial payment, without any written objection by the Contractor, shall in each instance operate as a release and discharge of the State from all claims, liabilities or other obligations relating to the performance of a Contract.

3. Contractor Payment Mechanism. All Contractors will be paid using the Comptroller’s payment system unless a different payment mechanism is required. The Contractor shall timely submit invoices and supporting documentation as prescribed in a Contract. The Department shall review and return rejected invoices within fifteen (15) days of receipt with a written explanation for rejection. Payments shall be made in accordance with the bill paying policy issued by the Office of the Comptroller and 815 CMR 4.00. Provided that payment periods listed in a Contract of less than forty-five (45) days from the date of receipt of an invoice shall be effective only to enable a Department to take advantage of early payment incentives and shall not subject any payment made within the forty-five (45) day period to a penalty. The Contractor Payroll System shall be used only for individual Contractors who have been determined to be Contract Employees as a result of the Department’s completion of an Internal Revenue Service SS-8 form in accordance with the Omnibus Budget Reconciliation Act (OBRA) 1990, and shall automatically process all state and federal mandated payroll, tax and retirement deductions.

4. Contract Termination Or Suspension. A Contract shall terminate on the date specified in a Contract, unless this date is properly amended in accordance with all applicable laws and regulations prior to this date, or unless terminated or suspended under Section upon prior written notice to the Contractor. The Department may terminate a Contract without cause and without penalty, or may terminate or suspend a Contract if the Contractor breaches any material term or condition or fails to perform or fulfill any material obligation required by a Contract, or in the event of an elimination of an appropriation or availability of sufficient funds for the purposes of a Contract, or in the event of an unforeseen public emergency mandating immediate Department action. Upon immediate notification to the other party, neither the Department nor the Contractor shall be deemed to be in breach for failure or delay in performance due to Acts of God or other causes factually beyond their control and without their fault or negligence. Subcontractor failure to perform or price increases due to market fluctuations or product availability will not be deemed factually beyond the Contractor’s control.

5. Written Notice. Any notice shall be deemed delivered and received when submitted in writing in person or when delivered by any other appropriate method evidencing actual receipt by the Department or the Contractor. Any written notice of termination or suspension delivered to the Contractor shall state the effective date and period of the notice, the reasons for the termination or suspension, if applicable, any alleged breach or failure to perform, a reasonable period to cure any alleged breach or failure to perform, if applicable, and any instructions or restrictions concerning allowable activities, costs or expenditures by the Contractor during the notice period.

6. Confidentiality. The Contractor shall comply with M.G.L. c. 66A if the Contractor becomes a "holder" of "personal data". The Contractor shall also protect the physical security and restrict any access to personal or other Department data in the Contractor’s possession, or used by the Contractor in the performance of a Contract, which shall include, but is not limited to, the Department’s public records, documents, files, software, equipment or systems.

7. Record-Keeping And Retention, Inspection Of Records. The Contractor shall maintain records, books, files and other data as specified in a Contract and in such detail as shall properly substantiate claims for payment under a Contract, for a minimum retention period of six (6) years beginning on the first day after the final payment under a Contract, or such longer period as is necessary for the resolution of any litigation, claim, negotiation, audit or other inquiry involving a Contract. The Department shall have access, as well as any parties identified under Executive Order 195, during the Contractor’s regular business hours and upon reasonable prior notice, to such records, including on-site reviews and reproduction of such records at a reasonable expense.

8. Assignment. The Contractor may not assign or delegate, in whole or in part, or otherwise transfer any liability, responsibility, obligation, duty or interest under a Contract, with the exception that the Contractor shall be authorized to assign present and prospective claims for money due to the Contractor pursuant to a Contract in accordance with M.G.L. c. 106, § 3-318. The Contractor must provide sufficient notice of assignment and supporting documentation to enable the Department to verify and implement the assignment. Payments to third party assignees will be processed as if such payments were being made directly to the Contractor and these payments will be subject to intercept, offset, counter claims or any other Department rights which are available to the Department or the State against the Contractor.

9. Subcontractors By Contractor. Any subcontract entered into by the Contractor for the purposes of fulfilling the obligations under a Contract must be in writing, authorized in advance by the Department and shall be consistent with and subject to the provisions of these Commonwealth Terms and Conditions and a Contract. Subcontracts will not relieve or discharge the Contractor from any duty, obligation, responsibility or liability arising under a Contract. The Department is entitled to copies of all subcontracts and shall not be bound by any provisions contained in a subcontract to which it is not a party.

10. Affirmative Action, Non-Discrimination In Hiring And Employment. The Contractor shall comply with all federal and state laws, rules and regulations promoting fair employment practices or prohibiting employment discrimination and unfair labor practices and shall not discriminate in the hiring of any applicant for employment nor shall any qualified employee be dismissed, discharged or otherwise subject to discrimination in the tenure, position, promotional opportunities, wages, benefits or terms and conditions of their employment because of race, color, national origin, ancestry, age, sex, religion, disability,

11. Indemnification. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, including the Department, its agents, officers and employees against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement or other damages that the State may sustain which arise out of or in connection with the Contractor's performance of a Contract, including but not limited to the negligence, reckless or intentional conduct of the Contractor, its agents, officers, employees or subcontractors. The Contractor shall at no time be considered an agent or representative of the Department or the State. After prompt notification of a claim by the State, the Contractor shall have an opportunity to participate in the defense of such claim and any negotiated settlement agreement or judgment. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph. Any indemnification of the Contractor shall be subject to appropriation and applicable law.

12. Waivers. Forbearance or indulgence in any form or manner by a party shall not be construed as a waiver, nor in any way limit the legal or equitable remedies available to that party. No waiver by either party of any default or breach shall constitute a waiver of any subsequent default or breach.

13. Risk Of Loss. The Contractor shall bear the risk of loss for any Contractor materials used for a Contract and for all deliverables, Department personal or other data which is in the possession of the Contractor or used by the Contractor in the performance of a Contract, until possession, ownership and full legal title to the deliverables are transferred to and accepted by the Department.

14. Forum, Choice of Law And Mediation. Any actions arising out of a Contract shall be governed by the laws of Massachusetts, and shall be brought and maintained in a state or federal court in Massachusetts which shall have exclusive jurisdiction thereof. The Department, with the approval of the Attorney General's Office, and the Contractor may agree to voluntary mediation through the Massachusetts Office of Dispute Resolution (MODR) of any Contract dispute and shall share the costs of such mediation. No legal or equitable rights of the parties shall be limited by this Section.

15. Contract Bidding, Interpretation, Severability, Conflict With Law Interpretation. Any amendment or attachment to any Contract which contains conflicting language or has the effect of a deleting, replacing or modifying any printed language of these Commonwealth Terms and Conditions, as officially published by ANF, CTR and OSD, shall be interpreted as superseded by the official printed language. If any provision of a Contract is found to be superseded by state or federal law or regulation, in whole or in part, then both parties shall be relieved of all obligations under that provision only to the extent necessary to comply with the superseding law, provided however, that the remaining provisions of the Contract, or portions thereof, shall be enforced to the fullest extent permitted by law. All amendments must be executed by the parties in accordance with Section 1 of these Commonwealth Terms and Conditions and filed with the original record copy of a Contract as prescribed by CTR. The printed language of the Standard Contract Form, as officially published by ANF, CTR and OSD, which incorporates by reference these Commonwealth Terms and Conditions, shall supersede any conflicting verbal or written agreements relating to the performance of a Contract, or attached thereto, including contract forms, purchase orders or invoices of the Contractor. The order of priority of documents to interpret a Contract shall be as follows: the printed language of the Commonwealth Terms and Conditions, the Standard Contract Form, the Department's Request for Response (RFR) solicitation document and the Contractor's Response to the RFR solicitation, excluding any language stricken by a Department as unacceptable and including any negotiated terms and conditions allowable pursuant to law or regulation.

IN WITNESS WHEREOF, the Contractor certifies under the pains and penalties of perjury that it shall comply with these Commonwealth Terms and Conditions for any applicable Contract executed with the Commonwealth as certified by their authorized signature signing the Standard Contract Form.

CALL MANAGEMENT SYSTEM

Secure Call Platform: Secure Call Platform ("SCP") allows inmates to place calls through its centralized system without the need for conventional live operator services. SCP allows Customers to (a) monitor and record inmate calls; (b) prevent monitoring and recording of private calls; (c) limit the duration of calls; (d) maintain call detail records; (e) shut the System on or off; and (f) allow free calls. Provider will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. Provider will store call recordings for a period of 3 years from the date of recording. Customer may download and store call recordings during that period. Customer is solely responsible for preserving any call recordings beyond that storage period by downloading them to a separate storage medium.

Provider will provide the equipment needed to support the required number and type of phones and other components in connection with SCP. Additional equipment or applications will be installed only upon mutual agreement by the parties, and may incur additional charges.

Provider will continue to charge the currently applicable rates until deployment and go-live of all products included in this SOW ("Full Deployment Date"); beginning on or about the Full Deployment Date, Provider will charge the rates specified in the following table:

1) Plus any applicable taxes and governmental fees

The currently applicable per call rate caps will no longer be applicable. Provider will provide one free call per inmate on Sunday of each week during the term of this SOW, provided that, for any given account, if the free phone call is not used during that week, the end user will not retain that free call for that account whenever the next distribution of free phone calls occurs.

Inmate Debit Option. SCP also includes the option to integrate Inmate Debit accounts. An Inmate Debit account is a prepaid, inmate-owned account utilized to pay for certain of Provider’s services, and is funded either through a transfer from...
an inmate’s trust/commissary account or through deposits from an inmate’s friends and family. Once deposited in the
Inmate Debit account, funds become property of the inmate. Inmate Debit accounts are associated with an inmate’s
personal identification number ("PIN"), and inmates are required to input their PIN at beginning of every Inmate Debit call.

INVOICING AND COMPENSATION:

Commission. Provider will pay Customer a fixed commission of $22,000 per month (the “Commission”) during the term of
this SOW.

Customer Options for Alternative Compensation Structures. Notwithstanding anything to the contrary in the SOW, at
Customer’s option, Customer may request that compensation and rates under the SOW be amended to either a no
commission or taxpayer-funded and no commission option at any time during the Term. If requested by Customer, the
parties will negotiate in good faith regarding an appropriate reduction to the applicable call rates if Customer agrees to no
longer receive any commission or other type of financial compensation under the SOW. For such compensation structures,
Provider can also accommodate a Customer request to transition from inmate and friend and family funding of inmate
telephone services to a model where those services are taxpayer-funded / paid for by Customer.

ADVANCECONNECT SINGLE CALL

AdvanceConnect Single Call allows friends and family to pre-pay for a call from an inmate and, if deployed, hereby replaces
Provider’s Instant Pay Program. Using AdvanceConnect Single Call, consumers can fund the minimum required to complete
the applicable call. Based on the actual duration of the call, AdvanceConnect Single Call transactions are rated at the per-
minute rate (plus any applicable federal, state, and local taxes and transaction fees). AdvanceConnect Single Call calls are
commissioned in the same manner as collect calls.

OUTBOUND VOICEMAIL

Outbound Voicemail allows friends and family to retrieve voicemails from inmates. If an inmate’s call goes unanswered, the
inmate may leave a voicemail. Provider will send a text message to the dialed number with a link to pay for and listen the
message. Based on the actual duration of the call, Outbound Voicemail transactions are rated at the per-minute rate (plus
any applicable federal, state, and local taxes and transaction fees). Outbound Voicemail calls are commissioned in the same
manner as collect calls.

INVESTIGATOR PRO

Investigator Pro uses continuous voice identification technology to identify the inmate(s) speaking on a call, detect certain
three-way call violations, and help investigators find correlations among calls. Inmates must participate in a supervised voice
model enrollment process. This inmate voice model enrollment process is the responsibility of Customer. Customer’s use of
Investigator Pro is governed by the JLG Technologies, LLC End User Software License Agreement located at

The cost of Investigator Pro was considered and included in offering the Commission and other terms contained herein.

ICER

The ICER system provides authorized users the means to detect intra- and inter-Facility inmate-to-inmate communications
from multiple sources to generate targeted investigative leads.

The cost of the ICER system was considered and included in offering the Commission and other terms contained herein.

TABLETS

Provider will deploy free basic community tablets to Facility. In addition to the free basic community tablets, Provider will
offer personal rental tablets with premium content. Provider will work with Customer’s commissary provider regarding the
sale of earbuds.

Premium content may include, but is not limited to, songs, games, movies, and television episodes. Customer understands
and acknowledges that premium content is subject to availability and may change at Provider’s discretion. Premium content
also may be subject to third-party licensing agreements with content providers. If Customer provides content for Provider to
display on the tablets, Customer represents and warrants that it has obtained all necessary licensing and rights to display

Exhibit A – Statement of Work – Page 3 of 6 – © Securus Technologies, LLC - Proprietary & Confidential
such content. Provider is not responsible and hereby disclaims any liability for any and all content of third-party applications and any documents, videos, or forms published by Customer or from outside sources.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of $8.00 per tablet per month plus applicable taxes and/or fees. Provider will pay Customer 10% commission on the revenue earned through the purchase of premium content only (not the rental fee) on those tablets; such commission is net of licensing and network costs and excludes applicable taxes/fees/surcharges. The subscription fee and premium content fees can be paid by using either Inmate Debit or a Tablet user account. The parties reserve the right to renegotiate the $8.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider’s Tablet-related costs exceed the revenue generated.

**EMESSAGING**

**DESCRIPTION:** Securus’ eMessaging Application (“eMessaging”) allows for two-way electronic communication between friends and family and an inmate. Users purchase eMessaging “stamps,” which are used to fund the transmission of an electronic message according to the following chart:

<table>
<thead>
<tr>
<th>Type of Message (When Available)</th>
<th>Number of Stamps</th>

Different types of attachments can also be combined in a single transmission.

The facility can access a web-based portal that enables message review, and can approve and reject a message or attachment based on the facility’s policies and criteria. Friends and family must send and receive messages using either the Securus mobile app or their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible by inmates through certain of Provider’s technologies as agreed by Customer and Provider.

With Customer’s agreement, Provider may (a) issue future releases of eMessaging which contain additional features and functionalities; or (b) modify the pricing contained herein.

**COMPENSATION:** Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps in the following quantities:

Provider will pay Customer a commission of 20% on each redeemed stamp based on the Stamp Book Price (excluding any applicable taxes/fees/surcharges), which may differ from facility to facility. A stamp is considered “redeemed” when it is used to send messages. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the “Payment Date”). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date. Customer understands and acknowledges that eMessaging is a requirement for Tablet deployment.

**VIDEO VISITATION / CONNECTUS**

Securus Video Visitation (“SVV”) is a web-based visitation system that allows individuals to schedule and participate in video visitation sessions with inmates. SVV runs on the ConnectUs Inmate Service Platform (“ConnectUs”). ConnectUs is a secure, comprehensive inmate communications and services platform that allows for the consolidation of assorted inmate activities in a single, unified interface with a customized mix of applications (“ConnectUs Applications”). Securus will continue to provide the configuration of SVV and ConnectUs that is currently deployed at Customer’s facility.

All recorded Video Visitation sessions will have a standard retention of 30 days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within 30 days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after 30 days. Further, it is Customer’s sole responsibility to:

1. Establish and communicate its policies regarding the monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and
2. Provide for appropriate accommodations to allow for non-recorded visits, as necessary.

Contractor will charge SVV session charges that are in compliance with state and federal regulatory requirements plus applicable taxes/fees/surcharges. If County wishes to offer free SVV sessions, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to County or deducted from Commissions.

It is County’s sole responsibility to:

1. Establish and communicate its policies regarding monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by County), and
2. Provide appropriate accommodations for non-recorded visits, as necessary.

Contractor is not responsible and hereby disclaims any liability for any and all content of the third party Applications and any documents, videos or forms published by County or from outside sources. Customer and Provider acknowledge and agree that Customer’s visitation policy with respect to in-person visits is solely within Customer’s discretion.

**SVV and ConnectUs Compensation to County.** Contractor will pay County 50% of the charges collected for paid Video Visitation sessions placed to County’s Facility. Contractor reserves the right to deduct Video Visitation session credits from revenue calculations. Contractor will pay SVV payments for a calendar month to County on or before the 30th day of the following calendar month in which the sessions occurred (the “Payment Date”). SVV Payments are paid in one-month arrears and are not subject to retroactive payments or adjustments for notice delays.

**Ownership and Use.** The SVV System and ConnectUs will at all times remain Provider’s sole and exclusive property. Provider (or Provider’s licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider’s applications, the SVV System, and Provider’s other products and services (the “Materials”). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

**Legality / Limited License Agreement:** For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney/client privileged communications, clergy visits, etc.) which will be Customer’s sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however, Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

Provider's subsidiary, Guarded Exchange, LLC, will deploy an offender communications monitoring system ("GEX System") designed to assist with identification of (1) suspicious or suggestive key words or phrases; (2) phrases that suggest threats to security of the Facility(s) and Facility personnel; and (3) criminal activity in and outside of the Facility(s).

The GEX System will analyze a selected subset of inmate communications originating from the Facility(s), including, as agreed, specific communications that match criteria provided by Customer (Targeted Requests). Guarded Exchange will provide reports to Customer that detail a breakdown of threat levels identified.

TERMS & CONDITIONS:

Customer agrees and acknowledges that it will use information received from the GEX System only for legitimate law enforcement, investigatory, and penological purposes.

Customer will comply with all privacy, consumer protection, marketing, and data security laws and government guidelines applicable to its access to and use of information obtained in connection with or through the GEX System. Customer acknowledges and understands that Customer is solely responsible for its compliance with such laws and that neither Provider nor Guarded Exchange™ make any representation or warranty as to the legality of the use of the GEX System or the information obtained in connection therewith. Neither Provider nor Guarded Exchange™ will have any obligation, responsibility, or liability for Customer’s compliance with any and all laws, regulations, policies, rules or other requirements applicable to Customer by virtue of its use of the GEX System.

Customer acknowledges that the information available through the GEX System includes personally identifiable information and that it is Customer’s obligation to keep all such accessed information secure. Accordingly, Customer will (1) restrict access to the GEX System to those law enforcement personnel who have a need to know as part of their official duties; (2) ensure that its employees obtain and/or use information from the System only for lawful purposes and (ii) transmit or disclose any such information only as permitted or required by law; (3) keep all user identification numbers confidential and prohibit the sharing of user identification numbers; (4) use commercially reasonable efforts to monitor and prevent against unauthorized access to or use of the GEX System and any information derived therefrom (whether in electronic form or hard copy); (5) notify Provider and Guarded Exchange™ promptly of any such unauthorized access or use that Customer discovers or otherwise becomes aware of; and (6) unless required by law, purge all information obtained through the GEX System and stored electronically or on hard copy by Customer within 90 days of initial receipt or upon expiration of retention period required by law.

Customer understands and acknowledges that all information used and obtained in connection with the GEX System is "AS IS." If Provider or Guarded Exchange™ determine in either's sole discretion that the GEX System and/or Customer’s use thereof (1) violates the terms and conditions set forth herein or (2) violates any law or regulation or (3) is reasonably likely to be so determined, either Provider or Guarded Exchange™ may, upon written notice, immediately terminate Customer’s access to the GEX System and will have no further liability or responsibility to Customer with respect thereto. Customer further acknowledges and agrees that the GEX System is not infallible, and that neither Provider nor Guarded Exchange™ make any representations or warranties regarding the GEX System’s ability to identify suspicious or suggestive key words or phrases, phrases that suggest threats to security, or phrases that indicated criminal activity in and outside of the Facility(s).

COMPENSATION:

The cost of the GEX System was considered and included in offering the Commission and other terms contained herein.
